Proven Youtube Shorts Ideas Tips In Usa:

Time Management Getting Organised for Peak Performance Diane Shawe, Why are there so many different organisational systems and time management methods out there The answer is simple it s like any other personal challenge like weight loss or money management There is no simple one size fits all answer You must build a solution that works for you *Leadership Coaching Skills. Communication, Coaching and Conflict* Diane Shawe,2018-09-06 Self awareness is one hallmark of a good leader To be a good leader you need first to understand yourself to have an understanding of your own leadership style and how it impacts on others One way to discover yourself is to complete a type of self assessment and the second is to ask colleagues for feedback on your leadership abilities This is a very quick read and can be done over breakfast lunch or a coffee break *Austrian Information* ,2008

Digital Technologies and Learning in Physical Education Ashley Casey,Victoria A. Goodyear,Kathleen M. Armour,2016-11-10 There is evidence of considerable growth in the availability and use of digital technologies in physical education Yet we have scant knowledge about how technologies are being used by teachers and whether or how these technologies are optimising student learning This book makes a novel contribution by focusing on the ways in which teachers and teacher educators are attempting to use digital technologies in PE The book has been created using the innovative pedagogical cases framework Each case centres on a narrative written by a PE practitioner explaining how and why technology is used in their practice to advance and accelerate learning Each practitioner narrative is then analysed by a team of experts from different disciplines The aim is to offer a multi dimensional understanding of the possibilities and challenges of supporting young people s learning with digital technologies Each case concludes with a practitioner reflection to illustrate the links between theory research and practice Digital Technologies and Learning in Physical Education encourages critical reflection on the use of technologies in PE It is an essential resource for students on physical education kinesiology or sport science courses practitioners working in PE or youth sport and researchers interested in digital technologies and education
