This publication presents incomparable research of the concepts and realities involved in the field of virtual communities and technologies. Provided by publisher. *Influence Without Authority* Allan R. Cohen, David L. Bradford, 2017-10-02. Get what you need to achieve your objectives and produce results. *Influence Without Authority* is the classic guide to getting what you need from people you don't control. Getting things done requires collaboration and convincing others to contribute requires political skill. This book introduces the Exchange Model in which you get what you need by offering something of value in return. The key lies in knowing what the other person values that's their currency and it's your immediate tool for coaxing their cooperation. This model has been proven over decades as organizations around the world have turned away from frustration and resignation toward collaboration and results. This book shows you how to implement the Exchange Model at the personal, team, and organizational level to raise the bar for performance and leadership. This new third edition has been updated to reflect the changing face of the workplace and includes new examples and information on geographically dispersed virtual teams. Supplementary materials facilitate classroom and training use with discussions, role-play videos, and other ancillaries that deepen understanding and promote practical application. Get what you need from the people who have it through mutual exchange. Think in terms of interest and pinpoint the currencies other people trade in. Apply the Exchange Model across entire organizations to lead major change. Learn practical, real-world strategies for influencing those you do not control. The ability to influence those not under your authority is becoming ever
