Handbook of Research on Operational Quality Assurance in Higher Education for Life-Long Learning Nuninger, Walter, Châtelet, Jean-Marie, 2019-12-06 Previously, key levers of higher education have seemed to be the learning organization, work, integrated learning for life-long learning, and learner-centered pedagogy. However, funding, evolution, and the integration of digital tools are changing professional styles and learning behaviors. Nonetheless, the sustainability of higher education requires quality agreements based on ethical, robust, and replicable pedagogical approaches. The *Handbook of Research on Operational Quality Assurance in Higher Education for Life-Long Learning* is a comprehensive scholarly book that focuses on the evolution of the education framework and job market, as well as necessary changes needed in organizations to reply to life-long learning and competency-based training initiatives. Highlighting topics such as digital environment, e-learning, and learning analytics, this book is essential for higher education faculty, managers, deans,
