Teaching the Future KHRITISH SWARGIARY, 2024-09-01 This book Teaching the Future

Strategies for Educating Generation Alpha and Beta in the Age of AI is designed to provide practical advice and actionable strategies for educators who are navigating this new landscape. It explores the characteristics and learning preferences of Generation Alpha and Beta, the role of AI in education, and the importance of developing future-ready skills. Additionally, it addresses the social and emotional needs of these students, the importance of parental involvement, and the need for continuous professional development for educators.

**Nine Dimensions of Scaffolding for Multilingual Learners** Maria G. Dove, Andrea Honigsfeld, Carrie McDermott Goldman, 2025-07-24. Create a rigorous learning environment with strategic and inclusive scaffolding practices. Today's classrooms are more linguistically diverse than ever, but many educators still feel underprepared to support multilingual learners in accessing grade-level academic content. Without intentional scaffolding, these students miss opportunities to thrive alongside their peers. Through nine scaffolded approaches—instructional, linguistic, multimodal, multisensory, graphic, digital, interactive, collaborative, social, emotional, and environmental—this resource offers content-area teachers research-based practical strategies to meet the linguistic, social, emotional, and academic needs of multilingual learners. Key features of this book include detailed vignettes and authentic examples from classrooms to illustrate scaffolding in action; research-based strategies for integrating scaffolds into lessons across content areas; self-assessment tools and reflection questions for personal and professional growth; practical templates to help educators tailor their scaffolding techniques to individual student needs. Scaffolding instruction is not just another teaching approach to learning; it is a critical non-negotiable for multilingual learners, providing a lifeline to language mastery, academic achievement, and a profound sense of belonging. Dove, Honigsfeld, and McDermott Goldman offer the guidance and inspiration educators need to cultivate equitable, engaging learning opportunities that truly help multilingual students to soar.
