Donald J. Trump Conrad Black, 2018-05-14 Conrad Black bestselling author of Franklin Delano Roosevelt Champion of Freedom and Richard M Nixon A Life in Full turns his attention to his friend President Donald J Trump and provides the most intriguing and significant analysis yet of Trump s political rise Ambitious in intellectual scope contrarian in many of its opinions and admirably concise this is surely set to be one of the most provocative political books you are likely to read this year *An Independent View of The Donald J Trump Presidency* William Smith, 2022-11-04 In the last four years I have been seeking answers as to why our country is so deeply divided Are we being fooled by those whom we rely on to deliver the truth about what is happening within America I believe that our government has failed us by allowing those with ulterior motives to influence our hearts and minds by commercially controlling our free enterprise system of democracy This book takes a chronological look at the inner workings of our government leading up and into Donald Trump s administration which has made him the most controversial president of my lifetime He has created a following that is every bit as fanatical about our government as he has been in the way he has shaped his administration to conform to his authority Here we have a president that was impeached twice has a long history of involvement in lawsuits plays by his own rules runs his business enterprises in an autocratic manner demands loyalty while firing those who fail to serve his needs yet can do no wrong in the eyes of his MAGA admirers Half of America loves him and half despises him Who really knows and understands Donald Trump Unfortunately we do not listen to another s position in life because we have already been conditioned to believe in what we have been told and what we have experienced ourselves We have been further hampered by the lack of information as much as by planted misinformation Finding the truth within Trump s presidency has been my obsession What I promised to do is find the cause and effect of our differences by presenting verifiably historical documentation so that readers can evaluate for themselves what is real and what is deliberate deception As an Independent voter I have called upon my conservative friends and acquaintances to present their point of view In order to Make America Great Again all we need to do is listen to each other then speak our concerns with understanding and compassion *Hard Right: The GOP's Drift Toward Extremism* Mona Charen, 2023-06-27 As a Republican Mona Charen hardly recognizes her own party anymore The party s focus has shifted from policy to provocation Over time many mainstream Republicans have embraced extremist views that were once reserved for the fringes challenging free and fair elections praising demagogues encouraging conspiracies and abandoning basic respect and decency The Republican Party crashed through the floor of decency when Donald J Trump was nominated as the party s candidate in the 2016 presidential election Since then it has continued to find new lows in conspiracism cynicism stoked outrage falsehoods and finally insurrection In this collection of syndicated columns since 2016 Ms Charen a long time political analyst calls out the Republican Party for drifting far from its principles offering sharp criticism and level headed advice Charen s journey has taken her to distrust of excessive partisanship on all sides and a renewed urgency about

confirming the values and traditions of small l liberal democracy *Defending Trump* Stephen Barry, Marc Z.

Lieberman, 2020-09-17 President Donald J Trump has been the subject of withering attacks on his character and fitness for office since announcing his candidacy for president in 2015 The radical left Democrats and their media allies and Never Trump Republicans say he poses a threat to the presidency our governing institutions and our national character He s repeatedly accused of being a liar racist misogynist and dictator Stephen Barry and Marc Z Lieberman longtime friends with opposite views of Trump debate his presidency in real time in this book Through text messages they highlight the stark divide in how the public views Trump From Trump s efforts to ban immigration from dysfunctional Muslim majority countries to his plans to build a wall on the Mexican border to his initial response to the coronavirus pandemic the authors consider the consequences of his actions as well as his motives For those who oppose Trump the underlying theme is that he should not be permitted to exercise the powers of his office But are they right See the arguments for Trump as well as why it s imperative that he be allowed to serve *True Crimes and Misdemeanors* Jeffrey Toobin, 2020-08-04 From CNN chief legal analyst and bestselling author Jeffrey Toobin a real life legal thriller about the prosecutors and congressional investigators pursuing the truth about Donald Trump s complicity in several crimes and why they failed Donald Trump s campaign chairman went to jail So did his personal lawyer His long time political consigliere was convicted of serious federal crimes and his national security advisor pled guilty to others Several Russian spies were indicted in absentia Career intelligence agents and military officers were alarmed enough by the president s actions that they alerted senior government officials and ignited the impeachment process Yet despite all this a years long inquiry led by special counsel Robert Mueller and the third impeachment of a president in American history Donald Trump survived to run for re election Why Jeffrey Toobin s highly entertaining definitive account of the Mueller investigation and the impeachment of the president takes readers behind the scenes of the epic legal and political struggle to call Trump to account for his misdeeds With his superb storytelling and analytic skills Toobin recounts all the mind boggling twists and turns in the case Trump s son met with a Russian operative promising Kremlin support Trump paid a porn star 130 000 to hush up an affair Rudy Giuliani and a pair of shady Ukrainian American businessmen got the Justice Department to look at Russian created conspiracy theories Toobin shows how Trump s canny lawyers used Mueller s famous integrity against him and how Trump s bullying and bluster cowed Republican legislators into ignoring the clear evidence of the impeachment hearings Based on dozens of interviews with prosecutors in Mueller s office Trump s legal team Congressional investigators White House staffers and several of the key players including some who are now in prison *True Crimes and Misdemeanors* is a revelatory narrative that makes sense of the seemingly endless chaos of the Trump years Filled with never before reported details of the high stakes legal battles and political machinations the book weaves a tale of a rogue president guilty of historic misconduct and how he got away with it *A President Like No Other* Conrad Black, 2020-08-18 Conrad Black bestselling author of Franklin Delano Roosevelt Champion of Freedom Richard M

Nixon A Life in Full and Flight of the Eagle America's Rise from Colonial Upstart to the World's Superpower turns his attention to his friend President Donald J Trump and provides the most intriguing and significant but certainly not uncritical analysis yet of Trump's political rise Ambitious in intellectual scope contrarian in many of its opinions and admirably concise this is surely set to be one of the most provocative political books you are likely to read this year Coup d'État Jerome R. Corsi,2020-03-03 The Deep State isn't finished trying to destroy President Donald Trump they've only just begun Coup d'État blows the lid off the Deep State's efforts to prevent the Trump presidency disrupt his agenda and prevent his reelection In this book you'll learn The truth behind Robert Mueller's Special Counsel baseless investigation The identity of the Trump cabinet member who proposed wearing a wire to take down Trump How the FBI entrapped members of the Trump team and how they unsuccessfully tried the same with Corsi How the Democratic establishment faked evidence of Russian interference The truth behind Julian Assange's arrest and what the Deep State wants to prevent him from exposing How the FBI abused FISA law to spy on Trump and how they tried to hide it Mueller's continued coverup that the media refuses to report This is the book the Deep State and the media don't want you to read Exonerated Dan Bongino,2019-09-24 As seen on The Ben Shapiro Show A NEW YORK TIMES BESTSELLER Great new book by wonderful and very street smart author Dan Bongino EXONERATED THE FAILED TAKEDOWN OF PRESIDENT DONALD TRUMP BY THE SWAMP Dan hits all of the crooked points of the greatest Witch Hunt in political history Nevertheless the Scam continues President Donald J Trump An explosive whistle blowing expose Exonerated The Failed Takedown of Donald Trump by the Swamp reveals how Deep State actors relied on a cynical plug and play template to manufacture the now discredited Russiagate scandal With the cutting analysis and insight he exhibited in his blockbuster bestseller Spygate The Attempted Sabotage of Donald J Trump Fox News contributor Bongino exposes who masterminded the dangerous playbook to take down Trump their motives and how a plan filled with faked allegations backfired forcing investigators to up the ante and hide their missteps and half truths in a desperate effort to prove a collusion case that never happened The result The misguided multimillion Mueller investigation that tore the nation apart tried to destabilize the presidency and led as the world now knows to nowhere *Vanity Fair*,2018 **Crime in Progress** Glenn Simpson,Peter Fritsch,2019-11-26 1 NEW YORK TIMES BESTSELLER I've read kind of all the books on this subject and this is the one you want to read Rachel Maddow Before Ukraine before impeachment This is the never before told inside story of the high stakes four year long investigation into Donald Trump's Russia ties culminating in the Steele dossier and sparking the Mueller report from the founders of political opposition research company Fusion GPS Fusion GPS was founded in 2010 by Glenn Simpson and Peter Fritsch two former reporters at The Wall Street Journal who decided to abandon the struggling news business and use their reporting skills to conduct open source investigations for businesses and law firms and opposition research for political candidates In the fall of 2015 they were hired to look into the finances of Donald Trump What began as a march through a mind boggling trove of lawsuits bankruptcies and sketchy

overseas projects soon took a darker turn The deeper Fusion dug the more it began to notice names that Simpson and Fritsch had come across during their days covering Russian corruption and the clearer it became that the focus of Fusion s research going forward would be Trump s entanglements with Russia To help them make sense of what they were seeing Simpson and Fritsch engaged the services of a former British intelligence agent and Russia expert named Christopher Steele He would produce a series of memos which collectively became known as the Steele dossier that raised deeply alarming questions about the nature of Trump s ties to a hostile foreign power Those memos made their way to U S intelligence agencies and then to President Barack Obama and President elect Trump On January 10 2017 the Steele dossier broke into public view and the Trump Russia story reached escape velocity At the time Fusion GPS was just a ten person consulting firm tucked away above a Starbucks near Dupont Circle but it would soon be thrust into the center of the biggest news story on the planet a story that would lead to accusations of witch hunts a relentless campaign of persecution by congressional Republicans bizarre conspiracy theories lawsuits by Russian oligarchs and the Mueller report In Crime in Progress Simpson and Fritsch tell their story for the first time a tale of the high stakes pursuit of one of the biggest most important stories of our time no matter the costs **Webster's Third International Dictionary of the English Language, Unabridged ,1961**

Unredacted Christopher Steele,2024-10-08 The intelligence officer behind the explosive Steele Dossier steps out of the shadows revealing a searing new report on the threat Putin and Trump pose to democracy based on alarming intelligence exposed in these pages for the first time Putin is now desperate to have Donald Trump back in the White House If he succeeds in helping Trump get reelected I am convinced that the global political order will be utterly changed We shall have entered a new historical era of strategic chaos a new world disorder The consequences of Trump winning the 2024 election are catastrophic from Unredacted To a unique degree Christopher Steele has been an eyewitness observer of modern Russian history He was a British diplomat and intelligence professional in Moscow when the Soviet Union was collapsing Steele was there when the putsch against Mikhail Gorbachev took place and when Boris Yeltsin took over the newly independent Russia After Vladimir Putin came to power Steele rose to become one of British government s leading Russia experts and played a central role in the investigation into the Kremlin ordered murder of Alexander Litvinenko Then in 2016 he wrote a series of explosive reports about the then presidential candidate Donald Trump and his links to Russia Now known to the world as the Steele Dossier these intelligence documents drew the world s attention to Russia s relationship with Trump and reluctantly thrust Steele into the center of a global maelstrom Since Trump s election he has quietly continued his work Indeed Steele has had even better access to sources of information and intelligence on Russia ones that have given him a privileged view of what s going on inside the Kremlin and how much we in the West should worry about it In Unredacted Steele shares for the first time what that inside view looks like how he came to the point of gaining such a level of insight and what Western governments and all of us can and should do to counter this generational threat **Trump's Enemies** Corey

R. Lewandowski, David N. Bossie, 2025-05-01 Corey R Lewandowski and David N Bossie the authors of the blockbuster *Let Trump Be Trump* the Inside Story of His Rise to the Presidency are back with their next New York Times bestseller *The assault on the 45th president* began immediately following Donald J Trump s victory in the 2016 presidential election It was then that Democrats concocted the absurd story of Russian spies and international plots as an excuse for Hillary s humiliating defeat It was in those early days too during the presidential transition when enemies of Donald Trump began to tunnel their way into the White House with the intent to undermine the president and subvert his agenda Perhaps there are no two people better to tell what is certain to be the story of our lifetime than Corey R Lewandowski and David N Bossie The guys in the room who brought you the bestselling account of the 2016 Donald J Trump for President campaign *Let Trump Be Trump* Lewandowski and Bossie now offer a first hand account of what is perhaps the battle for the life of our very democracy Using unparalleled behind the scenes sourcing from inside the White House and on Capitol Hill and access to the president and other key players Trump s Enemies offers a never before seen look deep into the forces aligned against the president Lewandowski and Bossie were present in Trump Tower and at Bedminster during the presidential transition and saw the events that gave root to the unelected resistance in the White House today Bossie was witness to the moment the fake Russia investigation was enacted by James Comey who legitimized the phony Steele dossier by presenting it to the new president elect A close confidant of the president Lewandowski knows what goes on behind the West Wing walls as well as anyone But Trump s Enemies is also the story of how President Trump is fighting back In the face of a gale of media disinformation and the looming black cloud of Mueller s politically motivated investigation President Trump has still managed to accomplish more than any of his predecessor in the short time he s been in office Often traveling with the president on Air Force One to rallies around the country Lewandowski and Bossie tell as no one else can the story of Donald Trump bringing his message to the people who are the only ones who should decide the future of his presidency the American voters

Donald Trump, Robert Mueller, Christopher Steele Diane Holloway Cheney, Ph.D., 2021-09-13 This thrilling page turner describes the lives of the most controversial men of our era and how they impacted each other We now realize that the greatest threat to our country can come from within as well as those not in our own country Can an administration ignore laws and attack democratic institutions without damaging democracy These shocking revelations are not without some humor to brighten what are otherwise dark and scary truths *Crime in Progress* Glenn Simpson, Peter Fritsch, 2019-11-26 In the autumn of 2015 the founders of the US political research firm Fusion GPS Glenn Simpson and Peter Fritsch were hired by a Republican presidential candidate to look into the records of Donald Trump What began as a march through a mind boggling trove of lawsuits and sketchy overseas projects soon took a darker turn as they became the first to uncover Trump s disturbing ties to the Kremlin and the crimes that since have plagued his presidency To help them decipher this alarming evidence they engaged the services of an old acquaintance the former British MI6 agent and Russia expert Christopher

Steele Steele would produce the notorious dossier which disclosed that the Trump team was deeply compromised by a hostile foreign power bent on disrupting the West and influencing the US presidential election In Crime in Progress the authors and Steele break their silence for the first time chronicling their high stakes investigation and their desperate efforts to warn both the American and British governments the FBI and the media to little avail and no matter the costs Yet when the dossier finally exploded onto the world stage after a leak a ten person research firm above a Starbucks in Washington was thrust into the centre of the biggest news story on the planet a story that would lead to the Mueller report and disrupt Trump s secret planned rapprochement with Putin s Russia that could have re ordered the western alliance After four years on his trail the authors inescapable conclusion is that Trump is an asset of the Russian government whether he knows it or not A real life political thriller with the makings of a modern classic Crime in Progress is the definitive story of the pursuit of the truth about Trump and one of the greatest betrayals in American history **Behind The Steele Dossier** Daniel David
