IMTIC 2008 served as a platform for international scientists and the engineering community in general and in particular for local scientists and the engineering community to share and cooperate in various fields of interest. The topics presented had a reasonable balance between theory and practice in multidisciplinary topics. The conference also had excellent topics covered by the keynote speeches keeping in view the local requirements which served as a stimulus for students as well as experienced participants. The Program Committee and various other committees were experts in their areas and each paper went through a double blind peer review process. The conference received 135 submissions of which only 46 papers were selected for presentation, an acceptance rate of 34%. *Resources in Education*, 1996 **Bowker's Complete Video Directory, 1998**, 1998
