AI Mastery: Earn \$5000/Month Online, 2025-11-18 This book will show you the art of getting more customers to spend more money faster, leveraging AI in the online world. If you want to build an automated YouTube channel with AI, this book will help you. If you want to create and sell online courses on Udemy, Kobo, with AI assistance, this book will help you. If you want to secure freelance work on Upwork, Fiverr, by leveraging AI, this book will help you. If you want to write and publish best-selling ebooks on Amazon, Google Play Books, with AI, this book will help you. If you want to apply AI across all aspects of your life and business to achieve financial goals, this book will help you. I'm not a happiness guru, a fitness guru, an investing guru, or anything else. But I can show you how to accelerate cash flow in an online business by orchestrating AI tools. In other words, get more customers to spend more money in less time, over and over again, through YouTube, Udemy, Upwork, Amazon, Kindle, and more. I know because it's all I've done in my adult career. I've built automated AI business ecosystems earning thousands of dollars per month. Today, I teach how to build these AI systems in my AI Synergy Profit. My side hustle, I make content showing how we do it. My joke life goal is to be the most jacked AI billionaire. My real life goal is to die with nothing left to give. A little more about the book if you want that. An AI Money Model is a deliberate sequence of offers powered by artificial intelligence. It's what you offer, when you offer, and how you offer it to make as much money as you can, as fast as you can. Ideally, to make enough money from one customer to get and service at least two more customers in less than thirty days. And it rarely looks clean, but I break AI Money Models into three stages. Stage I: Get Cash. AI Attraction Strategies get more customers for less through YouTube channel optimization, automated social media content creation, compelling ebook generation. Stage II: Get More Cash. AI Upsell/Downsell Strategies make more money from them faster through engaging online course design, optimized Upwork/Fiverr service offerings. Stage III: Get The Most Cash. AI Continuity Strategies maximize their total money spent through automated email marketing systems, AI-powered customer relationship management. In real life, it happens like

this First I get customers reliably with AI from YouTube Amazon Udemy Then I make sure they pay for themselves reliably with AI from course sales or service delivery Then I make sure they pay for other customers reliably with AI through automated marketing Then I start maximizing each customer s long term value with AI optimization Then I spend as many advertising dollars as I can to print as much money as possible backed by AI analytics This is my cookbook for making money by leveraging AI synergy in the online world It took me over a decade to learn all these tactics It ll take you three hours Use responsibly Enjoy If you want to learn more and make more money for your online business then ADD TO CART use its contents and see for yourself Disclaimer This book is for educational purposes only and does not guarantee results Business outcomes vary based on many factors outside the author s control Nothing herein should be taken as legal financial or professional advice The author and publisher disclaim liability for any losses or decisions made from use of this material

The New Islamic State Jack Covarrubias,Tom Lansford,2016-09-17 The rise of the Islamic State has dramatically forced a recalculation of political order and security in the Persian Gulf and broader Greater Middle East by the United States and its allies and adversaries including most notably Iran Israel and Saudi Arabia Since the Arab Spring of 2011 the Islamic State has altered the military balance in the Syrian intra state conflict and captured significant territory in Iraq Its military successes has attracted foreign fighters from more than 100 countries drawn in some cases by a sophisticated recruitment strategy that effectively combines a jihadist message with a social media outreach program targeting vulnerable Muslim populations in the region and the West The Islamic State has prompted renewed American and allied military intervention in Iraq and Syria and complicated the US relationship with its Iranian adversaries The New Islamic State examines the rise of the religious extremist organization from the ashes of al Qaeda in Iraq to its current efforts in Syria and Iraq and is designed to provide a comprehensive overview of the Islamic State its effects on the Persian Gulf and Greater Middle East and the response of both regional and great powers The book is suitable for academics policymakers and the general public
