Web designers and developers now find themselves tasked with designing not only a client's Web site but also their logo and brand identity. By adding Logo Design to your portfolio, you also add brand skills and unique content. This unparalleled guide dives into the topic of design theory and tells you everything you need to know in order to build remarkable logos. No matter your level of experience, Smashing Magazine covers techniques and best practices in an understandable way. You'll look behind the scenes at the art of creating identities. From theory to instruction to inspiration, this must-have book addresses the challenges and rewards of creating a logo that adheres to specific rules of successful design. Details the process of creating a memorable and unique logo from finding inspiration to executing the design. Looks at what makes a logo successful, various typefaces to explore, ways to use color, the pros and cons of vector, how to prepare for print, and more. Zeroes in on the research, concepts, and techniques that go into designing an amazing logo. Includes more than 400 never-before-published logos, interviews with established designers, and biographies of logo design masters with case studies of their iconic work. Appeals to a wide range of readers from aspiring designer to experienced professional. Encompassing everything about the art of creating identities, this is the only book you need to get started designing today.

Principles of Logo Design George Bokhua, 2022-08-09. Learn to design simple, powerful, and timeless logos. Winner of the 2022 American Graphic Design Award for Book Design from Graphic Design USA. When you think of a brand, often the first thing that comes to mind is the logo, the visual representation of that product, place, thing, or business. The power of simplicity for these marks can never be underestimated; a logo that comprises simple shapes can communicate a stronger message than a complex one, leaving a lasting impression in a viewer's mind. In *Principles of Logo Design*, noted logo designer George Bokhua shares his process for creating logotypes that will stand the test of time. Applying the enduring principles of classic texts on grid systems by Josef Muller Brockmann and on form and design by Wucius Wong, Bokhua elaborates on his popular online classes, demonstrating in detail how to maximize communication with minimal information to create logos using simple monochromatic shapes. This comprehensive volume includes how to apply a strong, simple, and minimal design aesthetic to logo design; why gridding is important and understanding the golden ratio and when to use it; how to sketch and refine logos through tracing, then grid and execute a mark in Adobe Illustrator; fine-tuning techniques to ensure visual integrity. Knowing how to design a great logo is a core skill for any graphic designer. *Principles of*
