Linda Limbers Mitchell,2002-01-06 You may have heard the old story about the frog If you put a frog in some cool water he ll
be quite comfortable If you slowly heat the water the frog will not jump out even if the water starts to boil because during the
slow process of bringing it to a boil the frog adjusts He will be boiled alive because he has become comfortable with his
surroundings Don t be comfortable You can change before your crisis becomes too difficult Don t wait until you are boiled
alive Choose Change Before Change Chooses You is a simple systematic process to change your live before you are forced to
do so by people and circumstances over which you have no control Most people will not change until it becomes more
uncomfortable to be where they are than it is to get where they are going This a practical thirteen week process to make
