How To Get Into Remote Jobs Usa For Dads:

Father Involvement and Gender Equality in the United States Richard Petts, 2022-08-31 This book focuses on issues of family work and gender with a focus on gender inequality. Women are disadvantaged in both paid and domestic work due in large part to being primarily responsible for duties within the domestic sphere. The COVID 19 pandemic has exacerbated these inequalities making the issue of reducing gender inequality even more pressing. Fathers play an important role in contributing to and perhaps reducing gender inequality but barriers to their involvement in family life have received less attention than detailing challenges that mothers face. If men were equally involved in all aspects of domestic life i.e. were fully engaged dads women's burdens would be reduced and perceptions of who is responsible for parenting may change resulting in greater gender equality. **Father Involvement and Gender Equality in the United States** focuses on the key issue of father involvement seeking to understand why fathers are less involved at home than mothers despite an increased desire for fathers to be more engaged parents. This book utilizes recent national survey data, interviews with fathers and insights from the author's personal experience as a father to identify current norms of fatherhood within the United States, barriers to father involvement and strategies to overcome these barriers. Overall this book argues that by establishing the expectation that fathers will be fully engaged dads as a cultural norm and by providing structural opportunities for fathers to meet this cultural standard greater gender equality can be achieved within the United States. The arguments presented in this book are valuable for scholars in the areas of family work and gender, policymakers and business leaders who seek to promote gender equality and work family balance and parents who are interested in achieving a more egalitarian division of labor within their own families.

The Job To Be Done Clint L. Coffey, 2023-01-12 A unique blend of historical narrative and personal memoir this is the powerful true story of seven young men including the author's father who served in Bomber Command in World War Two. Based on a pilot's logbook and years of research this beautifully crafted historical exploration follows the young airmen through training and then vividly relates their experiences in almost sixty combat operations against targets in Germany and France. The story of their lives after returning home including the burdens they carried with them is told with empathy and compassion. **The Job To Be Done** is a compelling combination of original WW2 records and historical fact with thoughtful analysis and insights. Using unique maps, photographs, logbook pages and interviews and anecdotes it crafts a deeply personal story that will resonate with fans of both military history and memoir. **The Job To Be Done** is a heartfelt tribute and a uniquely rewarding reading experience.

Not Afraid of Life Bristol Palin, Nancy French, 2011-06-21 When her mother Sarah Palin became the Republican Vice Presidential candidate in 2008 Bristol Palin was instantly propelled into the national spotlight becoming the focus of intense public and national media scrutiny at the age of seventeen. In **Not Afraid of Life** she shares with readers for the first time ever personal moments from her life from her Alaskan roots to her pregnancy and single motherhood to her star turn on TV's enormously popular *Dancing with the Stars*. This candid memoir is a heartfelt

true story of a woman who is centered by her strong Christian faith and is Not Afraid of Life **Dreams of Flight** Fran Martin, 2021-11-08 In *Dreams of Flight* Fran Martin explores how young Chinese women negotiate competing pressures on their identity while studying abroad On one hand unmarried middle class women in the single child generations are encouraged to develop themselves as professional human capital through international education molding themselves into independent cosmopolitan career oriented individuals On the other strong neotraditionalist state social and familial pressures of the post Mao era push them back toward marriage and family by age thirty Martin examines these women s motivations for studying in Australia and traces their embodied and emotional experiences of urban life social media worlds work in low skilled and professional jobs romantic relationships religion Chinese patriotism and changed self understanding after study abroad Martin illustrates how emerging forms of gender class and mobility fundamentally transform the basis of identity for a whole generation of Chinese women **Public Papers of the Presidents of the United States** United States. President, 2009 Containing the public messages speeches and statements of the President 1956 1992 Chinese in Mendocino County Lorraine Hee-Chorley, 2009 Mendocino County s name comes from the Native Americans who resided seasonally on the coast The county is known as a scenic destination for its panoramic views of the sea parks wineries and open space Less well known are the diverse cultural groups who were responsible for building the county of Mendocino The Chinese were instrumental in the county s development in the 1800s but little has been written documenting their contribution to local history Various museums throughout the region tell only fragments of their story Outside of the over 100 year old Taoist Temple of Kwan Tai in the village of Mendocino which is well documented this volume will become the first broad history of the Chinese in Mendocino County **Daddys' Home at Last** Mike Singletary, Singletary, 1999-03 Mike Singletary tells about the need of American dads to find their roles of modeling and teaching at home how he has ordered his life at home and how the average American dad can too The Elevator Constructor , 1981 Jewish Fathers Paula Ethel Wolfson, 2004 *Jewish Fathers A Legacy of Love* is a collection of stories and photographs celebrating the lives of contemporary American Jewish fathers It is a story of struggle and success with a universal message for all fathers who seek to give their children the American dream a life full of opportunity The image of the Jewish father is synonymous with the Yiddish word mensch a good kind decent human being The first mensch that we meet in life is usually our father Honest Hardworking Fair Charitable Funny Reverent Honorable Responsible A mensch It is a standard we try to live up to a standard that Jewish fathers have been charged with since the time of the biblical patriarchs Abraham Isaac and Jacob This book of photographs and interviews is the first of its kind exploring and honoring the role of American Jewish fathers It honestly explores issues facing Jewish fathers in modern American society today challenges of balancing career and family responsibilities intermarriage assimilation education single parenting raising children with special needs divorce and religious observance The men depicted here come from the broad spectrum of Jewish America from secular to strictly
