*The Digital Mom Handbook* Audrey McClelland, Colleen Padilla, 2011-07-26 From Audrey McClelland founder of momgenerations.com and Colleen Padilla founder of classymommy.com comes The Digital Mom Handbook Here is the ultimate guide for work at home moms who want to blog vlog skype tweet and Facebook their way to a successful career by doing what they already do online only better The Digital Mom Handbook shows the way to truly have it all with step by step advice and indispensable information on how to be a mom blogger and more ideal for the stay at home mom or stay at home wannabe who wants to add to the household income and improve her family's financial situation

**How to Grow a Successful Digital Marketing Business** Jesse Olive, 2020-08-18 Would you like to work from home Would you like to own your own business Tired of the gimmicks I have a solution for you Grow Your Own Successful Digital Marketing Business by following the steps I will share with you throughout this book You don't even have to be a digital marketer to get started You might be interested in this book if you are A stay at home Mom or Dad Looking to change careers Lack a college education and work odd jobs An investor A self employed creative A self employed web developer designer A self employed social media expert Looking to create a digital marketing business for your industry An established professional with a solid network An owner of a boutique agency looking to expand An employee for a membership based organization A multi level marketer By no means is this book limited to these audiences but these audiences certainly all could benefit from implementing these ideas into their existing businesses or into their new businesses All of the practices throughout this book are tried and true and I am confident they will work for you Why digital marketing I would not ask you to follow a plan or model that I have not proven I have helped others to achieve the same success you can achieve using the same approach to growing a business in this industry In fact after proving this business model works I decided to create my own business Olive Marketing Consulting using this approach I landed a global company as one of my first clients in my first quarter of being in business It isn't just the model that will make your business successful

It is the industry Digital marketing is where it is at That is where most businesses have been shifting their advertising dollars to for decades Of course traditional media still has its place but the total amount of digital marketing investment increases every year Digital marketing is also said to be one of the most lucrative professions a person can choose to pursue without a degree or certification While I do have a degree along with 20 years of experience in digital marketing and I have worked on projects for some of the largest corporations in the world I have learned that it is possible to own and operate a legitimate digital marketing business from home with limited knowledge and financial resources Believe it or not I have actually lost opportunities for new business to such individuals Rarely but it has happened Often the clients of these individuals ended up moving on and they have gone out of business That is because they did not have a plan for follow through YOU WILL I am not only going to help you train your mind for success help you understand the digital landscape and tell you how to start your own digital marketing business I am going to share a plan for follow through and success with you throughout this book Beyond that all it will take is commitment a relatively small amount of money the guidance in this book and the willingness to learn some simple concepts It is my hope that by sharing the many trade secrets I have acquired throughout my twenty years of experience you will find the freedom and success that I have experienced from operating my own digital marketing business while avoiding all of the bumps and bruises I have endured along the way
