**Father Involvement and Gender Equality in the United States** Richard Petts, 2022-08-31 This book focuses on issues of family work and gender with a focus on gender inequality. Women are disadvantaged in both paid and domestic work due in large part to being primarily responsible for duties within the domestic sphere. The COVID 19 pandemic has exacerbated these inequalities making the issue of reducing gender inequality even more pressing. Fathers play an important role in contributing to and perhaps reducing gender inequality but barriers to their involvement in family life have received less attention than detailing challenges that mothers face. If men were equally involved in all aspects of domestic life i.e. were fully engaged dads women's burdens would be reduced and perceptions of who is responsible for parenting may change resulting in greater gender equality. **Father Involvement and Gender Equality in the United States** focuses on the key issue of father involvement seeking to understand why fathers are less involved at home than mothers despite an increased desire for fathers to be more engaged parents. This book utilizes recent national survey data, interviews with fathers and insights from the author's personal experience as a father to identify current norms of fatherhood within the United States, barriers to father involvement and strategies to overcome these barriers. Overall this book argues that by establishing the expectation that fathers will be fully engaged dads as a cultural norm and by providing structural opportunities for fathers to meet this cultural standard greater gender equality can be achieved within the United States. The arguments presented in this book are valuable for scholars in the areas of family work and gender, policymakers and business leaders who seek to promote gender equality and work family balance and parents who are interested in achieving a more egalitarian division of labor within their own families.

**Caring Fathers in the Global Context** Petteri Eerola, Katherine Twamley, Henna Pirskanen, Pedro Romero-Balsas, 2025-07-24 Despite growing recognition of fathers involvement in family life dominant narratives still marginalise men's caring roles. **Caring Fathers in the Global Context** addresses a pressing gap in our shared understanding how care is practised and experienced by men across diverse cultural, social and policy settings. Drawing on wide ranging international research this timely edited collection offers a rich comparative exploration of how men become caring fathers and the pathways leading to this. It connects fatherhood studies with care scholarship to provide new theoretical and empirical insights into how care is shared, negotiated and made meaningful in everyday life. A vital and interdisciplinary resource for anyone studying families and social change this book invites readers to rethink care, masculinity and intergenerational relationships in a rapidly changing world.

**Mining American**, 1912 **Patriarchal Truth** Conrad Riker, Are you a rational truth seeking man looking to understand the foundations of masculinity and fatherhood? Led by author Conrad Riker, a man who has faced the same struggles as you, **Patriarchal Truth** debunks the influence of progressive

ideologies like Marxism critical theories queer theory gender studies feminism and the woke movement which have gone too far and threatened the very essence of masculinity This book is for every man seeking to reclaim the power and importance of fatherhood in a rapidly changing world It offers clear concise insights on the subject without resorting to complex or flowery language With Patriarchal Truth you ll learn how to navigate the intricate world of masculinity and fatherhood while staying true to your evolutionary roots Don t let progressive ideologies dictate your understanding of fatherhood Embrace the power of the patriarch with Patriarchal Truth A Jungian Analysis of Father Archetypes If you re ready to reclaim your masculinity and embrace your role as a father buy this book today      **American Illustrated Magazine** ,1881      **America** ,1921 The Jesuit review of faith and culture Nov 13 2017      **African American Lives** Henry Louis Gates,Evelyn Brooks Higginbotham,2004-04-29 The first book of its kind since 1982 s Dictionary of American Negro Biography African American Lives leads us into a new era of African American biographical scholarship In collaboration with Oxford University Press and the American Council of Learned Societies and with contributions from over four hundred scholars and experts in many fields the editors and their staff at the W E B Du Bois Institute for African and African American Research at Harvard University have collected in this single volume the lives of many of the most important and most interesting names in African American history BOOK JACKET      **American Agriculturist** ,1926      **The American Journal of Sociology** Albion W.
