

The background of the slide is a deep red color. It features several faint, light-colored mathematical diagrams. In the upper left, there is a diagram of a circle with a point P on its circumference, a horizontal line segment QA , and a vertical line segment PA . A curved line segment connects Q and A , and the area between the circle and this curve is shaded orange. In the lower right, there is a diagram showing a curve in the first quadrant of a coordinate system, with several vertical rectangles drawn under it, suggesting a Riemann sum or integral approximation. The rectangles are shaded orange.
