My 10 Tips for Teaching on Tiktok

TIP #1:

Mix up
length of
videos.

- Shorter videos (under 15-30 seconds) are great for getting your video in content and share quickly in building it spread, especially when you first start out. This will help with research and getting more views.
- Longer videos are great for building trust, skills of knowledge

10 TIPS FOR BUILDING A LEARNING COMMUNITY ON

TikTok

Adapted from my E-Book
"Teaching on TikTok:
A Guide to Growing Your Own Learning Community"

about the app,
and
being on camera

- Do not change who you are or try to get followers on the app.
- People will respond to your unique voice, personality, and energy, and you don't have to be young, flashy, or "trendy" or bring people to your space.
- There is nothing too insignificant or small to teach to people. A successful teaching video can absolutely be a sentence long.
- Break larger concepts down into extremely simple or shortened clips. This will help you create more videos out of one general topic AND is a great teaching strategy.
- People learn better when information is chunked.
- It's also not Reels. TikTok as a space online has a distinct presence & feel that Reels lacks as it's part of a larger platform (IG).
- You can post multiple times a day.
- You can have "low-quality made" videos still do extremely well.
- Many "rules" of IG do not apply here.

Surveillance Education Nolan Higdon, Allison Butler, 2024-08-02 Surveillance Education explores the pervasive use of digital surveillance technologies in schools and assesses its pernicious effects on students Recognizing that the use of digital technologies will persist the authors instead offer practical ways to ameliorate their impact In our era of surveillance capitalism digital media technologies are ever more intertwined into the educational process Schools are presented with digital technologies as tools of convenience for gathering and grading student work as tools of support to foster a more equitable learning environment and as tools of safety for predicting or preventing violence or monitoring mental emotional and physical health Despite a dearth of evidence to confirm their effectiveness digital data collection and tracking is often presented as a way to improve educational outcomes and safety This book challenges these fallacious assumptions and argues that the use of digital media technologies has caused great harm to students by subjecting them to oppressive levels of surveillance impinging upon their right to privacy and harvesting their personal data on behalf of Big Tech In doing so the authors draw upon interviews from K 12 and higher education students teachers and staff civil rights and technology lawyers and educational technological programmers The authors also provide practical guidance for teachers administrators students and their families seeking to identify and combat surveillance in education This urgent eye opening book will be of interest to students and educators with interests in critical media literacy and pedagogy and the sociology of technology and education

The Beginner's Guide for Selling on TikTok K Stello, 2023-08-26 TikTok is not the same as your normal social networking site while having many similarities to popular social media sites like Twitter and Instagram The algorithm is very unique to other platforms TikTok uses a unique algorithm to guarantee that every video has an equal chance of becoming popular regardless of how well known the content creator is This opens up space for quick expansion and growth of social media presences rapid growth and practically endless marketing experimentation What shows up in a user's feed is determined by an algorithm used by TikTok Every video has a chance of going viral thanks to the intriguing manner that its discovery algorithm works To attract interested audiences who are ready to buy your products you can quickly and easily create a TikTok video promoting a product The main distinction between TikTok and other social media platforms particularly Facebook and Instagram is that the homepages of the latter two are primarily made up of users and channels you already follow You might be wondering why TikTok has been used to market things TikTok operates in the opposite manner giving new creator videos priority This Book Would Be Teaching You Tips and Tricks To Run A Profitable Tiktok Business What You Will Learn In This Book Introduction To Using Tiktok For Business Steps To Follow to help focus on setting up your strategy before using TikTok for Business Suggestions for creating content for TikTok and success examples TikTok Analytics How to gauge your Brand effectiveness Successful techniques for becoming viral in the TikTok marketing strategy Benefits of TikTok Marketing for businesses

TikTok Tips For Affiliate Marketers Raymond Wayne, 2022-12-30 TikTok is a recently released social networking app that has become immensely popular The young adult and teen demographics seem to be the most attracted to it TikTok is a popular social media app with over 12 million daily users because it allows users to easily make and share short videos in a variety of formats with their friends family and followers Affiliate marketers can benefit from the platform because it facilitates the creation of shareable interesting content Making videos that people actually want to watch is step one in developing an effective marketing plan for TikTok Because videos on TikTok can be any length unlike on YouTube or Instagram businesses using the site need to create clips that are just a minute or two long at the most or shorter Marketers can increase the number of views their videos receive on TikTok by using trending hashtags related to their products and services You don't need to wait to be accepted as a content creator on TikTok in order to start earning money with the app

TikTok's Content Creator Fund is only available to those who match certain criteria. You will not be kept waiting, which is excellent news. Including a LinkTree link in your bio is a great way to drive organic traffic to a website, online storefront, or landing page where you can promote your affiliate links and maybe make a sale. If you have multiple resources, link to your website and create a landing page with other links to your business assets. From one link, your followers can access a variety of links or a landing page with one call to action. The social media app TikTok is centered around short video loops. As well as socializing and advertising, it has a wide range of practical applications. In affiliate marketing, one business endorses another in exchange for financial compensation and works well with the TikTok community. Have fun supporting other creators and engaging with them. Build relationships with TikTokers in your field and show your interest in their success. All ships rise in a high tide. Be a fan too. Find TikTok accounts that you love for personal and business reasons. Comment, engage with them, and be part of what makes the TikTok community unlike any other social networking platform, and you can learn on the steps on monetizing your TikTok following with useful affiliate links. TikTok is one of many tools you can use to build a platform, support your other platforms, and engage a new audience. It's a simple and fun way to share content and help people find your resources.
