Moonlighting Industry Perspective Dr. A. SATHISH KUMAR, Family Blog Clary Antome, 2007-10-09. Family Blog is a humorous modern day saga of an uprooted European family told through a medley of blogs that each member is writing without knowledge of the others. Tossed back and forth between Africa, Eastern and Western Europe, Family D has experienced all the bloody upheavals of colonialism and neo colonialism and got caught up in the strife between socialism and capitalism and everything in between. Now in the beginning of the 21st century, these three young women and their parents have gone global writing online diaries about their adventures, hopes, frustrations, addictions, obsessions, conspiracies, and even practical tips. The involvement of the youngest sister in an international criminal network triggers a series of comic confrontations between the family members over conflicting worldviews and desires, everyone's tendency to deceive and betray each other, and ultimately the family's participation in the chaos of Angola's colonial past, independence, and civil war.
