**No Way! Okay, Fine** Brodie Lancaster, 2017-06-27 Brodie is whip smart merging pop culture references with vulnerable personal experiences to create a collection that reads like a hilarious catch up call with an old friend. What a pleasure to hear from this fresh, extremely relevant point of view. Abbi Jacobson CO-CREATOR, WRITER, STAR of BROAD CITY. I wish Brodie was the voice of my inner monologue narrating me through life with her fierce intelligence and never-ending pop culture references. Instead, I'll just settle for this extremely relatable, unashamedly funny, powerful and beautifully vulnerable book.

**No Way Okay Fine** Courtney Barnett ARIA award winning and Grammy nominated songwriter and musician. I identified early on that my role in relationships was the sidekick, the platonic female cast member in an all male production or the friend who was relied on selectively when other options were unavailable. I was the comic relief or the stand-in, never the lead. I knew this, I felt it, I wrote it down but I didn't dare say it aloud because that would prove that I cared and caring wasn't cool. From the small town in regional Australia where she was told that girls can't play the drums to New York City and back again, Brodie has spent her life searching screens, books, music and magazines for bodies like hers, girls who loved each other and women who didn't follow the silent instructions to shrink or hide that they've received since literal birth. This is the story of life as a young woman through the lenses of feminism and pop culture. Brodie's story will make you re-evaluate the power of pop culture in our lives and maybe you will laugh and cry along the way. Brodie Lancaster is a thoughtful and patient writer and this book is a generous deep dive into her psyche. Brodie's thoughts about her body, her friends and lovers, her choices and fears are all presented with the same staccato blast of pop culture touchstones and if you love boy bands, the internet reality television, the Gilmore Girls, literally every other thing that is good in the world, you will adore this book.
