Survey of Media Stacey O. Irwin, 2024-09-10. An accessible and exciting new textbook that provides students with an in-depth historical and conceptual understanding of the nature and function of media in society. Stacey O. By examining media history from the perspective of future decision-making, this textbook explores how media technologies have a positive and negative sociocultural impact. This provides students with a more accessible entry point to the topic, and readers are left with a well-rounded understanding of media and the interplay between media, culture, technology, and society. Each chapter concludes with things to consider and additional takeaways to enhance student learning.
