[Stay at Home Jobs for Moms](#) Fallon Maersk, 2015-07-07 The ultimate dilemma of all young mothers Stay at home and take care of the kids Or return to work and help pay the bills It s a tough balancing act between spending quality time with your children and earning more money to ensure a better life for them But what if I told you that you didn t have to make that choice and that you could actually have the best of both worlds That s what this book is all about giving stay at home moms the option to work from home by introducing you to legitimate job opportunities When it comes to stay at home jobs for moms there are plenty of great options to choose from The most important thing is to find the right job for you something that suits your interests skill set schedule etc So what are you waiting for Start your stay at home career today

[Women and Employment](#) Jacqueline L. Scott, Shirley Dex, Heather Joshi, 2009-01-01 An informative and important volume Johanna Kumlin *European Sociological Review* This collection further contributes to our awareness of the complicated intersection of work and family life for women and men and to a few of the socio economic factors which serve as impediments to its synchronization It is well written carefully researched and rather detailed in its analysis Susan Cody Sex Roles This excellent collection deserves to be read and from cover to cover all the contributions focus on the UK situation over the past 25 years although some offer comparative exemplars and analysis This national focus makes this collection an essential resource for those working in the UK and Europe But the general empirical excellence of the collection as well as the theoretical insights generated in some of the chapters make this an essential collection for anyone interested in gender and work Lesley Patterson *Gender in Management An International Journal* There cannot be a richer collection than this on the topic of women their employment conditions and how they balance home and work life a valuable resource that can be returned to for hard statistics and proven solutions you can use in your own policy creation Equality and Diversity This collection will be an invaluable resource for anyone concerned with changes in women s

employment over the last twenty five years Authoritative and up to date it is simultaneously wide ranging and focused analytical and policy oriented The editors have brought together the knowledge of many renowned experts to reflect on labour market developments and gendered employment Attention to transitions across the life course is a particularly welcome feature of the book as is the linking of employment studies with family research Miriam Glucksmann University of Essex UK How is women s employment shaped by family and domestic responsibilities This book written by leading experts in the field examines twenty five years of change in women s employment and addresses the challenges facing women today The authors offer an innovative analysis of how global changes including new migration processes educational expansion transnational labour markets technological advances and the global economy affect women s labour market experiences They tackle issues relevant for future change including gender inequalities and ethnic diversities and confront contentious questions such as what is meant by work life balance The book provides new empirical research that both advances our understanding of the challenges posed by women s employment in our changing society and draws out the policy lessons that could improve economic and social wellbeing Providing dynamic analysis of employment family inter relationships Women and Employment will be of great relevance to social scientists and academics interested in employment and family as well as policymakers concerned with changing women s employment
