## iOS 14 Review: It's About Time

### Change the Design

Hey guys, it's been a while. Concern the Queen here and I just want to talk about how a lot of people have been starting to customize their iPhone home screens now that it's finally possible with iOS 14 out for everyone. I have to say, first of all, welcome to the party! We've been customizing home screens on phones for what seems like a decade now.

**Abstract**—The purpose of this study was to determine the effect of a 10-week, 1000 kcal energy deficit diet on the body composition and physical fitness of 10 sedentary, obese women. The subjects were divided into two groups: a control group and an experimental group. The control group maintained their current weight and physical fitness, while the experimental group lost 10 kg of weight and improved their physical fitness. The results of the study suggest that a 10-week, 1000 kcal energy deficit diet is effective in reducing body weight and improving physical fitness in sedentary, obese women.

*Open Talent* John Winsor,Jin H. Paik,2024-01-16 In the new world of hybrid work and AI one thing is clear the war for talent is over and talent won With sparsely populated offices and people working from wherever they are and with AI emerging everywhere in business and dominating headlines our work lives have undergone a remarkable transformation seemingly overnight But the reality is that for years the ever growing digital wave has been breaking down organizational boundaries and increasing the adoption of open innovation including the use of crowdsourcing platforms as a talent solution Now the imperative is clear adapt to and leverage this new digitally enabled world of open talent or get left behind In this eye opening essential guidebook John Winsor and Jin Paik with their work at the Laboratory for Innovation Science at Harvard show how the massive reset of the pandemic allowed talented workers everywhere to exit their jobs without leaving the workforce Now many are freelancing for multiple companies or are starting small businesses challenging hiring managers as never before amidst a transformed workforce What s more talent has more power than ever

using platforms such as Freelancer com Fiverr and Upwork setting their own terms for work what where when and at what price How can companies adapt The key the authors argue is shifting to a more distributed idea and structure of collaborative work The authors call this a networked organization where talent is culled from both inside and outside the organization and viewed through a single lens as a global ecosystem that can be tapped as needed With rich stories keen insights and an abundance of practical advice Winsor and Paik provide a new framework and operating model for transforming your organization into a talent orchestrating problem solving machine **The Working Press of the Nation**
