Advanced AI Methods for Plant Disease and Pest Recognition Jucheng Yang, Yalin Wu, Alvaro Fuentes, Sook Yoon, Tonghai Liu, 2024-06-06 Plant diseases and pests cause significant losses to farmers and threaten food security worldwide Monitoring the growing conditions of crops and detecting plant diseases is critical for sustainable agriculture Traditionally crop inspection has been carried out by people with expert knowledge in the field However regarding any activity carried out by humans this activity is prone to errors leading to possible incorrect decisions Innovation is therefore an essential fact of modern agriculture In this context deep learning has played a key role in solving complicated applications with increasing accuracy over time and recent interest in this type of technology has prompted its potential application to address complex problems in agriculture such as plant disease and pest recognition Although substantial progress has been made in the area several challenges still remain especially those that limit systems to operate in real world scenarios

Manuals Combined: U.S. Navy Journalist Basic, Journalist Advanced And Journalist 3 & 2 Training Publications , Over 1 300 total pages To the young man or woman choosing a Navy career field whether for one enlistment or for 30 years the journalist rating offers endless avenues for an imaginative yet mature thinker Many of the duties and responsibilities of the journalist rank among Americans favorite hobbies and pastimes such as writing broadcasting and photography The Navy journalist learns and

practices a distinguished profession and becomes an official representative of the Navy in public affairs matters The first enlisted specialists to work full time in the field of Navy journalism were Naval Reserve personnel selected during the early years of World War II They were designated Specialist X Naval Correspondents In 1948 under a major overhaul affecting almost every enlisted rating the journalist JO rating was established MAJOR TASKS AND RESPONSIBILITIES LEARNING OBJECTIVE Identify the major tasks and responsibilities of the Navy journalist the personal traits required for one to best perform the duties of the rating the applicable NECs and the purpose of the JO 3 2 training manual TRAMAN In our democratic society government depends on the consent of the governed This important principle means that in the long run the United States government does only what the people want it to do Therefore we can have a Navy only if the people know and understand the importance of the Navy and support it The Navy like the other services depends on this country's citizens for the four key tools of its trade personnel money materials and the authority to carry out its mission As a Navy journalist your main function will be to make the facts about your Navy available to the Navy's three main publics the people at your ship or station Navy people in general and the people of the United States as a whole
