Melissa Petro,2024-09-10 In the spirit of Rebecca Traister s Good and Mad and Roxane Gay s Bad Feminist comes a courageous in depth investigation into the modern epidemic of shame in our society what it is why women are uniquely susceptible and how we can shift the shame off our plates and live our best lives in an over exposed image obsessed world For millions of women shame is a vicious predator It tells us we are less than that we are unworthy We try everything to escape shame ignoring it intellectualizing it and even ironically shaming ourselves for feeling it The reality is that women experience shame more frequently and more intensely than men a direct result as acclaimed journalist Melissa Petro explains of a patriarchal culture that urges women to feel bad about themselves and then punishes them when they do Why can t we figure out how to break the shame cycle once and for all In Shame on You Petro takes on the issue of women s shame directly with an unflinching look at the social systems that encourage women to believe we are deeply inadequate From shame s beginnings Maybe she s born with it Nope it s misogyny to its effect on our lives as adults How the humiliation of bad women affects us all shame poisons our friendships romantic relationships and work lives But it doesn t have to be that way Blending investigative reporting science literature and hundreds of women s personal stories including her own shameful account of winding up as an unwitting New York Post cover girl Petro offers us a new way forward No matter what you do she explains there is no escaping being judged And yet the women we can become sometimes as a consequence of shame rather than in spite of it are powerful indeed And maybe that s what others are afraid of **The Revenge Club** Kathy Lette,2024-05-09 Fast moving and frothing with the fun kind of female fury JO BRAND WHEN THE ODDS ARE AGAINST YOU IT S TIME TO GET EVEN Matilda Jo Penny and Cressy are all women at the top of their game so imagine their surprise when they start to
