The timing is also fortuitous given TikTok's uncertain future in the U.S. as the Trump administration weighs either banning the Chinese-owned app entirely or forcing it to sell off its U.S. operations. To put this further into perspective, let's take a look at a few stats. The average time spent on Instagram increased by 3.5% since the launch of Instagram Reels. For example, some published data reflects recent developments as follows: Two-thirds of the NBA's franchises have posted at least one Reel since the feature launched in the United States. The Los Angeles Lakers top the league in engagement on Instagram Reels with more than 385,000 engagements and more than 4.1M plays on a single video. Louis Vuitton averages 7M views on each Reel and are still increasing. Sephora France gets more than 453K views on each Reel and more. That is great news for businesses that want to survive and thrive despite the challenging economic conditions. So here we are with our Awesome course: Instagram Reels Marketing.
