Global Risks and Their Impacts on Türkiye Hasret Çomak,Burak Şakir Şeker,Doğan Şafak Polat,Mesut Özel,Murat Koray,2024-11-26 Today the growing impact of climate change armed conflicts social polarization and economic

instability threatens the foundations of the global order. These challenges escalate rapidly fuelled by technological advancements and economic uncertainties that we face on a global scale. Disinformation and misinformation stand out as critical global threats. The pressing issues of cybersecurity, geopolitical tensions, unequal opportunities, inflation, forced migration, economic downturns, and environmental degradation present urgent risks that demand immediate attention. The imbalances and inequalities in wealth and resource distribution at all levels breed instability locally, regionally, and globally, further amplifying the fragility and volatility of our global system. Beyond the immediate crises, our book delves into the potential repercussions of artificial intelligence and its implications for the geopolitical supply chain in Turkey. It meticulously unveils how climate change and geopolitical dynamics could severely impact Turkey's security framework, economic landscape, and business sector. In this context, Turkey must boldly declare its commitment to fostering collaboration among nations, businesses, and civil society to effectively address these global challenges. Turkey's pivotal role in this collective endeavour cannot be overstated, and the country should continue to lead initiatives aimed at collaboration and problem-solving. This book offers valuable insights from scholars, experts, and industry leaders with the goal of elevating awareness and effectively managing emerging risks at every level. Together, we can navigate these turbulent times and create a more resilient global order.
