Bleszinski, 2023-11-07 The designer of Unreal and Gears of War offers a personal account of the video game industry as it grew from niche hobby to hundred billion dollar enterprise Provided by publisher The Great Motivation Swindle Laura Tong, Mark Tong, 2014-06-08 Do you dream of doing something awesome big or small towards a Great Life anything indeed but when you try to motivate yourself into actually getting off your burgeoning ass and taking some kick ass action nothing happens zilch Somehow for some damn reason you can t identify your motivation always fails to show up for the party Goes AWOL There s a strong chance it s never your true dream you re chasing but some swindling parasitic desire foisted on you in short you ve been swindled you re a casualty of The Great Motivation Swindle Too many great people are failing to achieve the success and Great Life they could be living and it seems to be assumed that this is a natural state of affairs and there is little that can be done about it So what do you do if you find it harder to get motivated than a shark at a salad bar If you re feeling more demotivated than an albino in a heatwave What happens is you turn to self improvement But the killer is that this industry is largely just putting out the same swindling message as society more and more dressed up in pseudo science and psychological jargon The mountains of motivational literature images and quotes that are designed to get you fired up enough to get going and kick some ass are in fact doing the oh so opposite rather than motivating ordinary people to get out there and chase down some sweet dream they are demotivating them or worse still encouraging the swindleous practice of substituting some other bastard s aims and desires for yours So what s the alternative The alternative is a Revolution A Revolution for the Common Man A Revolution where you buck the swindle and the whole concept of self improvement replace all the corrosive crap in your head with your own unique desire and motivation to pursue your own happiness and go grab whatever the hell you want as you The book also includes 19 Motivational Rules for the Common Man **Arab and Muslim Science Fiction** Hosam A.
