Until You're Breathless Sandra Alex,2025-07-21 The ultimate revenge A precarious second chance at love And a dirty trick that plays so hard on hearts that one gets broken and the other one could lose everything So much for that It's all I can think about after seeing the questionable text message His reaction to it would be telling to anyone else But me stupidly I trust him Until I find out the truth and it sets me free Jagger is the last person I want to go to but in my line of work I don't see how I have a choice But the past comes back to bite me in the ass just like I thought it would and in more ways than one Painfully he's still the hottest man I know and the smartest And he holds the ticket to my future but does he know that he may have the ticket to my heart too I know she's coming back the second that I see her name on the list Bowie is no more impressed by her decision to come knocking on my door than I am But I get it And with the industry and by that I mean my brothers breathing down my neck I haven't got a choice but to hire her The past still haunts me I try to hide it but just like back then Bowie can see right through me It's a gift So is she But I can't tell her that or it could cost us everything He was a fool But can I count on him being fool enough to stay away If I don't play my cards right I risk losing two of the things that I love the most in life and she's worth it She just doesn't know it yet
