China: The Great Transition Bhabani Shankar Nayak, 2023-03-06 This book explores the great transition of China from a subsistence agrarian economy to a technologically driven economic powerhouse which reflects the achievements of the hardworking Chinese people China continues to grow as the second largest economy of the world from 2010 onwards It is going to be the largest economy in the world by putting US economy behind The Chinese GDP has increased of 1 500 times from 1952 This book examines the transformation of China and its economic growth is neither miraculous nor a product of market economy Further this book states economic development in China as a product of political pursuit shaped by the Chinese people led by the Communist Party of China from 1921 onwards China is not only the workshop of the world today but also works as the engine of global economic growth and recovery of crisis ridden global economy This book also shows how phenomenal Chinese economic growth and development led to the significant fall of poverty in China This book states that the prosperous transition in China continues to show features of combined and uneven development This is evident as China has largest billionaires but many people still live and practice subsistence economy However many Chinese do not have access to clean air water sanitation and dignified sources of livelihoods This book shows the social economic and political inequalities as hindrances to deepening of democratic and egalitarian development in China This book states that the gender gap and widening gap between urban and rural China are twin serious challenges to progressive transformations in China The Chinese state and government are trying to implement different policies and programmes to overcome these challenges

Wife, Inc. Suzanne Leonard, 2018-04-03 A fascinating look at the changing role of wives in modern America After a half century of battling for

gender equality women have been freed from the necessity of securing a husband for economic stability sexual fulfillment or procreation Marriage is a choice and increasingly women and men are opting out Yet despite these changes the cultural power of marriage has burgeoned What was once an obligation has become an exclusive club into which heterosexual women with the right amount of self discipline may win entry The newly exalted professionalized wife is no longer reliant on her husband s status or money instead she can wield her own power provided she can successfully manage the business of being a wife Wife Inc tells a fiercely contemporary story revealing that today s wives do not labor in kitchens or even homes Instead the work of wifedom occurs in online dating sites on reality television in social media and on the campaign trail Dating marital commitment and married life have been reconfigured No longer the stuff of marriage vows these realms are now controlled by brand management and marketability To prosper women must appear confident empowered and sexually savvy Guiding readers through the stages of the wife cycle Suzanne Leonard follows women as they date prepare to wed and toil as wives using examples from popular television film and literature as well as mass market news women s magazines new media and advice culture The first major study to focus on this new definition of working wives Wife Inc reveals how marriage occupies a newly professionalized role in the lives of American women Being a wife is a business that takes a lot more than a vow to maintain this book tells that story

Become Someone From No One Bhavik Sarkhedi, Sahil Gandhi, 2025-10-29

Become Someone From No One is your blueprint to building a powerful personal brand from the ground up. It unpacks the real world strategies that transform ordinary individuals into memorable names. Through stories, insights, and actionable steps, it reveals how to stand out in a noisy digital world. From self-discovery to storytelling, it guides you in crafting an authentic, influential identity. You'll learn to leverage social media content and consistency to earn credibility and trust. The book breaks complex branding ideas into simple, repeatable habits anyone can master. Whether you're a student, creator, or entrepreneur, this is your roadmap to becoming someone. In a world overflowing with talent, this book shows you how to make your name stand for something unique and unforgettable. It blends psychology, strategy, and storytelling into a practical system for building your personal brand with purpose.

Co-authored by Bhavik Sarkhedi, a celebrated entrepreneur, bestselling author, and one of India's leading personal branding voices, the book draws from real-life lessons and years of experience. Bhavik, who has penned multiple acclaimed titles and founded successful creative ventures, brings an insider's perspective on how individuals evolve into influential brands. Joining him is Sahil Gandhi, widely known as the Brand Professor, a visionary in the field of identity creation and human branding. Sahil's expertise lies in simplifying branding into human behavior, turning complex concepts into relatable, result-driven actions. Together, they demystify how personal branding is no longer a luxury; it's a necessity in the modern digital era. The book walks you through how to define who you are, refine how you show up, and design how the world perceives you. From crafting your story to building an authentic digital presence, every chapter provides clarity, direction, and measurable steps. It challenges readers to think differently about influence, reputation, and impact. With real-world examples, exercises, and success frameworks, it helps you move from self-doubt to self-definition. The writing is conversational; the advice is grounded, and the transformation it promises is tangible. It's not just about followers; it's about finding your voice and making it matter. Readers will learn how to build trust, create meaningful connections, and position themselves as thought leaders in their domain. This is not theory; it's a tested path that has shaped entrepreneurs, creators, and professionals into brands people remember.

Bhavik and Sahil combine art, strategy, and empathy to turn branding into a human journey, not a marketing one. Whether you're starting from scratch or reinventing yourself, this book equips you to own your narrative with confidence. Become Someone From No One is a transformation waiting to happen.
