possible to pay a manager less than a waiter and save money However with the inclusion of recruitment technology the cost of hiring employees is being cut by up to 50% This does not necessarily mean that the amount of profit is increased but employees are able to be assigned to different tasks meaning that they spend less time in front of customers thus increasing their profits Interested to know more Then Scroll up Click on Buy now with 1 Click and Get Your Copy Now **Digital Nomad Secrets** Ron Kness,2016-12-08 Discover a step by step guide for aspiring lifestyle entrepreneurs to live work and play anywhere in the world This step by step guide will show you how to unleash yourself from the conventional lifestyle and live a life based on your terms Living a nomadic lifestyle comes with many benefits For 3example you ll be able to travel the world have incredible experiences meet amazing and diverse people have legendary stories to tell grow as a person develop your skills as an entrepreneur have a taste of true freedom be able to do work that you find truly enjoyable and rewarding learn to become completely self reliant learn more about yourself and about what you really need to be happy be joining a huge growing community of like minded individuals be a pioneer working in a fashion that would have been unthinkable even a decade ago improve your happiness your health and your perspective Being a digital nomad is something that was unthinkable even 20 years ago Taking on this lifestyle makes you a pioneer and it s one of the greatest adventures you can embark upon in the 21st Century To start with it s not easy otherwise everyone would be doing it It will require work and effort on your part But once you ve established these basic foundations you ll be on your way to a nomadic lifestyle The good news is I ve written a handy Book to help you get started even if you are a true beginner I ve put it all into one easy to understand course Digital Nomad Secrets [How to Become a Digital Nomad](#) Annie Erling Gofus,Team TripScout,Konrad Waliszewski,2017-06-27 How to Become a Digital Nomad is the most practical step by step guide to living a location independent digital nomad lifestyle regardless of your career while making money and doing the work you love This book is not written in the hypothetical It is not motivational and philosophical fluff It is not for backpackers who simply want to teach English It is not for the independently wealthy travelers or Instagram stars It is written by real digital nomads who have made a life and career doing what they love where they love doing it For those who like their job we provide an actionable guide to help you convince your employer and transition your work to be remote For those who don t like their job we will teach you how to find location independent jobs start a business earn money as a freelancer or consultant and sell your digital nomad lifestyle as a perk to potential clients customers or employers We dive in deep on the following topics Turn any skill into a location independent career Find a remote job or consulting freelance clients Start and run a business abroad Best places to travel and work as a digital nomad Co working spaces and digital nomad hubs communities around the world Organized digital nomad programs like Remote Year Visa requirements for digital nomads Packing and preparing to become a digital nomad Important resources for digital nomads Required technology hardware and software Staying productive while traveling Overcoming the inevitable psychological impacts Common barriers e g kids pets debt and medical concerns
