Brunn, 2024-05-23 This book explores journeys in a time context with a focus on places place meanings and landscapes Whether the journey relates to ancient or modern trails roads or railroads or a historical or contemporary pilgrimage or a tourist venture in social contexts the book addresses the importance of places and environmental settings whereby time itself is described and defined in multiple contexts The chapters discuss among others archaeological and pre history settings tourism settings and heritage events as well as regional and transnational migration

routes and those used by historical nomadic cultures and postmodern nomads Some time and place journeys are fluid and dynamic and re interpreted while for others there is much sameness in the visible landscapes Retaining the past and reconstructing the past are both journeys That sameness concept is also applied to cultural and political worlds where there is little progress or reform to address social welfare and empowerment This book opens the door for exploring shallow and deep journeys by those in the humanities and social sciences at local national and regional scales *Professionalization in the Creative Sector* Margaret J. Wyszomirski, WoongJo Chang, 2023-10-26 This book seeks to better understand the processes and influences that have driven professionalization in the arts It develops an analytical framework that examines how processes of professionalization that typically influence and shape work conditions and occupational status are in the creative sector augmented by atypical worker efforts and choices to self structure their protean careers The book brings together a collection of works that explore the specific trajectories of professionalization in a variety of creative occupations as well as the formative processes that work across many creative occupations In particular the scholarship presented focuses on the interaction of three key variables field growth and institutionalization mutual benefit organization within fields and occupations and the intervention of cultural policy to validate and foster professional support structures In the broader context of expanding globalization growing awareness of diversity and tectonic shifts in technology this volume unveils research based implications for cultural policy cultural workers and cultural organizations This book will be of interest to researchers creative professionals as well as undergraduate and graduate level students in the fields of arts administration and culture **Resources in Education** ,1994 The Futurist ,1994 **Debunk This!** Matt Palumbo, 2019-08-20

Countless studies have proven that over 90 percent of Trump related news coverage is negative and the percentage of journalists that identify as Republicans are in the single digits When liberals are running the show you can bet that their narrative has gone unchallenged If you tell a lie long enough people will begin to believe it and that s certainly the case with so many liberal myths that have become accepted as conventional wisdom In this book you ll learn among many other facts What happened to non gun mass killings when Australia enacted strict gun control The truth about Scandinavian socialism How Obama twisted the numbers to appear tough on immigration Why Mexico has stricter immigration laws than the US How Bill Clinton faked the Clinton surplus That the US doesn t have the majority of the world s mass shootings Why statistics claiming that illegal aliens commit fewer crimes than the general public are bogus The countless lies the media simply made up about the Trump administration If you re in need of ammunition to shoot down liberal lies this is the book for you
