No Bs Chatgpt For Blogging For Dads:

Monsters vs. Patriarchy Patricia Saldarriaga, Emy Manini, 2025-06-17 Across the globe the violent effects of patriarchy are manifest Women trans people gender nonconforming people and the racialized Other are regularly subjected to physical danger beginning with the denial of vitally important health care and in its most horrific form rape trafficking and murder *Monsters vs Patriarchy* links these real world horrors to the monstrification and dehumanization of people as expressed in contemporary global cinema This monstrification has been achieved through a toxic imagination attributed to women a trait that historically referred to the power of women to negatively affect others including their own children in the womb with only the use of their imagination This process reflects the misogynist and racist world in which we live where female bodies people of color and alternative identities represent a threat to patriarchal power *Monsters vs Patriarchy* examines female monstrosity as it appears in horror films from around the world and considers specific political scientific and historical contexts to better understand how we construct and reconstruct monstrosity using an intersectional approach to examine the imposition of gender and racial hierarchies that support national power structures The authors contend that monstrous female cinematic subjects including ghosts witches cannibals and posthuman beings are becoming empowered using the tools of their monstrification to smash the colonial white supremacist and misogynist structures that created them **ITNG 2024: 21st International Conference on Information Technology-New Generations** Shahram Latifi, 2024-07-08 This volume represents the 21st International Conference on Information Technology New Generations ITNG 2024 ITNG is an annual event focusing on state of the art technologies pertaining to digital information and communications The applications of advanced information technology to such domains as astronomy biology education geosciences security and health care are the among topics of relevance to ITNG Visionary ideas theoretical and experimental results as well as prototypes designs and tools that help the information readily flow to the user are of special interest Machine Learning Robotics High Performance Computing and Innovative Methods of Computing are examples of related topics The conference features keynote speakers a best student award poster award service award a technical open panel and workshops exhibits from industry government and academia This publication is unique as it captures modern trends in IT with a balance of theoretical and experimental work Most other work focus either on theoretical or experimental but not both Accordingly we do not know of any competitive literature **Supremacy** Parmy Olson, 2024-09-10 WINNER OF THE THE FINANCIAL TIMES AND SCHRODERS 2024 BUSINESS BOOK OF THE YEAR AWARD In November of 2022 a webpage was posted online with a simple text box It was an AI chatbot called ChatGPT and was unlike any app people had used before It was more human than a customer service agent more convenient than a Google search Behind the scenes battles for control and prestige between the world s two leading AI firms OpenAI and DeepMind who now steers Google s AI efforts has remained elusive until now In *Supremacy* Olson tech writer at Bloomberg tells the astonishing story of the battle between these two AI firms their struggles

to use their tech for good and the hazardous direction they could go as they serve two tech Goliaths whose power is unprecedented in history The story focuses on the continuing rivalry of two key CEOs at the center of it all who cultivated a religion around their mission to build god like super intelligent machines Sam Altman CEO of OpenAI and Demis Hassabis the CEO of DeepMind Supremacy sharply alerts readers to the real threat of artificial intelligence that its top creators are ignoring the profit driven spread of flawed and biased technology into industries education media and more With exclusive access to a network of high ranking sources Parmy Olson uses her 13 years of experience covering technology to bring to light the exploitation of the greatest invention in human history and how it will impact us all **Human Resource**
