Free Traffic Franck Scandolera, 2025-08-27

Do you want more visitors to your website but don't have the budget for Google Ads or Facebook Ads? No problem, we can do without. That's exactly why I wrote this practical guide. Today, focusing on acquiring free traffic is the best way to build a solid and sustainable online business. I offer you a multitude of techniques, some simple, others more advanced, to generate traffic to a site without an Ads budget. In this practical guide, I share with you all the strategies that really work, step by step, to increase the visibility of your website, e-commerce site, or sales funnel. This book answers a simple question: how to generate thousands of visitors without an advertising budget. You'll find precise methods to use natural search engine optimization (SEO) and attract a steady stream of visitors thanks to Google. Optimize your visibility in AI search engines: Google AI Overview, ChatGPT, Perplexity using GEO (Generative Engine Optimization) and AEO (Answer Engine Optimization). Create content that attracts people over the long term: evergreen articles, videos, free tools, engaging posts. Intelligently use social media and online communities to reach new audiences. Implement sustainable and automated actions to increase your exposure without spending all your time on it. What you'll gain by applying these strategies: Growing and stable traffic which doesn't disappear as soon as you stop paying. True independence from advertising platforms. Cumulative visibility which grows over the months and years. Stability in the face of algorithmic variations in traffic sources. This book is not for sale; no miracle. It's a practical guide without bullshit, or we just have to theory. It gives you a clear method that you can apply at your own pace. Each strategy is explained so that it can be put into practice, even if you're not a technical expert. Who is this book for? Freelancers who want to attract visitors without ads. Content creators looking to build a loyal audience. Entrepreneurs and e-commerce businesses who want to increase their visibility for free. Anyone who wants to understand the new rules of online traffic acquisition. Frequently Asked Questions: Are these techniques reserved for marketing experts? No. Traffic acquisition methods are clearly explained with concrete actions accessible to freelancers, creators, and entrepreneurs, even without advanced technical skills. How long does it take to see results? Free traffic isn't instantaneous. But some actions produce rapid results: local visibility optimization of existing content, and others build a sustainable flow over several months. Does this guide discuss conversion or only acquisition? It is 100% focused on acquiring free traffic. The goal is to increase the volume and quality of your visitors. What levers does the book cover? SEO, GEO, AEO, evergreen content, social media, online communities, digital word of mouth, automation, grey and black

hat techniques All explained with a practical approach If you want to stop relying on advertising and build free solid and sustainable traffic this book is your action plan **Practical Content Strategy & Marketing** Julia McCoy, 2017-11-27
