The Phoenix Encounter Method: Lead Like Your Business Is on Fire! Ian C. Woodward, V. "Paddy" Padmanabhan, Sameer Hasija, Ram Charan, 2020-10-27 A radical new leadership strategy to transform business as we know it from a dream team of INSEAD professors and mega bestselling

author Ram Charan The business landscape is littered with the wreckage of companies that crashed and burned when an apocalypse came in the shape of new competitive technologies upstart entrants demographic shifts and new world orders Who can feel safe in firestorm change The authors of The Phoenix Encounter Method don't advise safety In fact their method of leadership thinking requires you to imagine burning your business to the ground throwing yourself into a firestorm change and turning the upheaval to your organization's advantage It can then rise phoenix like from the ashes stronger and more powerful than ever Written with a sense of urgency and purposefully radical provocation The Phoenix Encounter Method represents the forward thinking of legendary business guru Ram Charan and professors from the senior global leadership program of INSEAD one of the world's top graduate business schools The resulting methodology based on analysis of thousands of articles studies reports and academic and business practice was field tested in real life Phoenix Encounters conducted with more than fifteen hundred senior executives from startups and family businesses to legacy companies representing a broad range of industry and sectors in both developed and developing economies Whatever your sector or industry if you're responsible for your organization's ability to use change as a transformative opportunity you'll appreciate the dramatic impact The Phoenix Encounter Method will have on you your leadership and your organization **The**

Routledge Handbook of Consumer Behaviour in Hospitality and Tourism Saurabh Kumar Dixit, 2017-04-07 Consumer behaviour is one of the most explored topics in tourism and hospitality marketing interchangeably denoted by the terms traveller behaviour tourist behaviour or guest behaviour Consumer behaviour acts as an origin for every tourism and hospitality marketing activity It offers an understanding of why people tend to choose certain products or services and what sort of factors influence them in making their decision The decision process of buying tourism products or services takes time because they are mostly intangible in nature due to which there are many risks involved in their buying process The Routledge Handbook of Consumer Behaviour in Hospitality and Tourism aims to explore and critically examine current debates critical reflections of contemporary ideas controversies and pertinent queries relating to the rapidly expanding discipline of consumer behaviour in hospitality and tourism The Handbook offers a platform for dialogue across disciplinary and national boundaries and areas of study through its diverse coverage It is divided into six parts Part I offers an overview of consumer behaviour Part II focuses on the service quality perspectives of consumer behaviour Part III deliberates on customer satisfaction and consumer behaviour linkages Part IV explores the re-patronage behaviour of consumers Part V addresses the vital issues concerning online consumer behaviour and Part VI elaborates upon other emerging paradigms of consumer behaviour Although there is no dearth of empirical studies on different viewpoints of consumer behaviour there is a scarcity of literature providing conceptual information The present Handbook is organised to offer a comprehensive theoretical body of knowledge narrating consumer behaviour especially for hospitality and tourism businesses and operations It attempts to fill this research gap by offering a globalised volume comprising chapters organised using both practical and

academic approaches This Handbook is essential reading for students researchers and academics of Hospitality as well as those of Tourism Marketing International Business and Consumer Behaviour **Reporting Humanitarian Disasters in a**

Social Media Age Glenda Cooper,2018-10-26 From the tsunami to Hurricane Sandy the Nepal earthquake to Syrian refugees defining images and accounts of humanitarian crises are now often created not by journalists but by ordinary citizens using Twitter Facebook YouTube Instagram and Snapchat But how has the use of this content and the way it is spread by social media altered the rituals around disaster reporting the close if not symbiotic relationship between journalists and aid agencies and the kind of crises that are covered Drawing on more than 100 in depth interviews with journalists and aid agency press officers participant observations at the Guardian BBC and Save the Children UK as well as the ordinary people who created the words and pictures that framed these disasters this book reveals how humanitarian disasters are covered in the 21st century and the potential consequences for those who posted a tweet a video or photo without ever realising how far it would go **The Routledge Companion to Political Journalism** James Morrison,Jen Birks,Mike Berry,2021-10-19 This international edited collection brings together the latest research in political journalism examining the ideological commercial and technological forces that are transforming the field and its evolving relationship with news audiences Comprising 40 original chapters written by scholars from around the world The Routledge Companion to Political Journalism offers fundamental insights from the disciplines of political science media communications and journalism Drawing on interviews discourse analysis and quantitative statistical methods the volume is divided into six parts each focusing on a major theme in the contemporary study of political journalism Topics covered include far right media populism movements and the media local political journalism practices public engagement and audience participation in political journalism agenda setting and advocacy and activism in journalism Chapters draw on case studies from the United Kingdom Hungary Russia Malaysia Myanmar Italy Brazil the United States Greece and Spain The Routledge Companion to Political Journalism is a valuable resource for students and scholars of media studies journalism studies political communication and political science *Entrepreneurship* Heidi M.
