[The Immortality Key](#) Brian C. Muraresku, 2020-09-29 THE NEW YORK TIMES BESTSELLER

As seen on The Joe Rogan Experience A groundbreaking dive into the role psychedelics have played in the origins of Western civilization and the real life quest for the Holy Grail that could shake the Church to its foundations The most influential religious historian of the 20th century Huston Smith once referred to it as the best kept secret in history Did the Ancient Greeks use drugs to find God And did the earliest Christians inherit the same secret tradition A profound knowledge of visionary plants herbs and fungi passed from one generation to the next ever since the Stone Age There is zero archaeological evidence for the original Eucharist the sacred wine said to guarantee life after death for those who drink the blood of Jesus The Holy Grail and its miraculous contents have never been found In the absence of any hard data whatever happened at the Last Supper remains an article of faith for today's 2.5 billion Christians In an unprecedented search for answers The Immortality Key examines the archaic roots of the ritual that is performed every Sunday for nearly one third of the planet Religion and science converge to paint a radical picture of Christianity's founding event And after centuries of debate to solve history's greatest puzzle Before the birth of Jesus the Ancient Greeks found salvation in their own sacraments Sacred beverages were routinely consumed as part of the so called Ancient Mysteries elaborate rites that led initiates to the brink of death The best and brightest from Athens and Rome flocked to the spiritual capital of Eleusis where a holy beer unleashed heavenly visions for two thousand years Others drank the holy wine of Dionysus to become one with the god In the 1970s renegade scholars claimed this beer and wine the original sacraments of Western civilization were spiked with mind altering drugs In recent years vindication for the disgraced theory has been quietly mounting in the laboratory The constantly advancing fields of archaeobotany and archaeochemistry have hinted at the enduring use of hallucinogenic drinks in antiquity And with a single dose of psilocybin the psychopharmacologists at Johns Hopkins and NYU are now turning self proclaimed atheists into instant believers But the smoking gun remains elusive If these sacraments survived for thousands of

years in our remote prehistory from the Stone Age to the Ancient Greeks did they also survive into the age of Jesus Was the Eucharist of the earliest Christians in fact a psychedelic Eucharist With an unquenchable thirst for evidence Muraresku takes the reader on his twelve year global hunt for proof He tours the ruins of Greece with its government archaeologists He gains access to the hidden collections of the Louvre to show the continuity from pagan to Christian wine He unravels the Ancient Greek of the New Testament with the world s most controversial priest He spelunks into the catacombs under the streets of Rome to decipher the lost symbols of Christianity s oldest monuments He breaches the secret archives of the Vatican to unearth manuscripts never before translated into English And with leads from the archaeological chemists at UPenn and MIT he unveils the first scientific data for the ritual use of psychedelic drugs in classical antiquity The Immortality Key reconstructs the suppressed history of women consecrating a forbidden drugged Eucharist that was later banned by the Church Fathers Women who were then targeted as witches during the Inquisition when Europe s sacred pharmacology largely disappeared If the scientists of today have resurrected this technology then Christianity is in crisis Unless it returns to its roots Featuring a Foreword by Graham Hancock the NYT bestselling author of *America Before* *A Manual of British & Irish History* Thomas Flanagan, 1847 *A Manual of Bible History* William Garden Blaikie, 1882 *General Studies Manual Paper-1* 2022 Dr. Priya Goel, Jenmenjay Sahni, Vivek Singh, Deepika Singla, Tushar Shukla, Amibh Ranjan, Rakesh Kumar Roshan, Ekta Soni, Sahana Ansari, Dr Poonam Singh, 2021-12-20 1 General Studies Paper 1 is the best selling book particularly designed for the civil services Preliminary examinations 2 This book is divided into 6 major sections covering the complete syllabus as per UPSC pattern 3 Special Section is provided for Current Affairs covering events Summits and Conferences 4 simple and lucid language used for better understanding of concepts 5 5 Crack Sets are given for practice 6 Practice Questions provides Topicwise Questions and Previous Years Solved Papers With our all time best selling edition of General Studies Manual Paper 1 is a guaranteed success package which has been designed to provide the complete coverage to all subjects as per prescribed pattern along with the updated and authentic content The book provides the conventional Subjects like History Geography Polity and General Science that are thoroughly updated along with Chapterwise and Sectionwise questions Contemporary Topics likes Indian Economy Environment Ecology Science Technology and General Awareness have also been explained with latest facts and figures to ease the understanding about the concepts in this book Current events of national and international interest have been listed in a separate section Practice Sets are given at the end keeping in view the trend of the questions coming in exams Lastly More than 5000 Most Important Points for Revision are provided in the attached booklet of the guide It is a must have tool that proves to be one point solution for the preparf Civil Services Preliminary Examination TOC Solved Paper 2021 2018 Indian History and Indian National Movement India and World Geography Indian Polity and Governance Indian Economy General Science Science and Technology General Knowledge Computer Technology Practice Topicwise Questions Current Affairs Crack Sets 1 5 **Data Book of Social**
