This book will suit anyone with no prior experience of blogging or anyone who want to improve an existing blog. *The Publishers Weekly*, 2005. [Small Business Sourcebook](#), 2004. **Social Media Marketing** Adidas Wilson, What Is Social Media Engagement? It is the number of shares, likes and comments. A big following is great but an engaged audience is better than a big one, quality over quantity. There are certain metrics used to measure social media engagement. They include: Use of branded hashtags, Mentions, Click throughs, Audience and followers growth, Likes, Comments, Retweets, shares. Your followers can naturally start engaging with your content. But often you may need to encourage them a little. Here are a few tricks to help you with that. Assess your engagement, see how many followers you have, the average number of shares and comments you get on each post and any other relevant numbers. Make sure you continue monitoring these numbers. Choose your strategy. Every company has different goals and strategies are thus different. Your strategy will depend on your goals. This could be educating the audience, collecting feedback, changing the public perception etc. Understand your audience, it is not easy to engage people you do not know. **Blog Writing** Phil Sweet, 2020. How to create a killer content strategy, grow your audience and learn to monetize your blog. What you will learn: Generate viral blog ideas, Make your blog stand out and get noticed, Content creation resources, Create evergreen blog content, Blog marketing, Define quality blog content, Write high quality original blog content, Know where and how to get great content and content idea for your blog posts, Send high quality visitors to your blog.
