Aesthetics From Classical Greece To The Present:

Aesthetics from Classical Greece to the Present Monroe C. Beardsley, 1975-10-30 Seeks to bring present day philosophy principles into the history of aesthetics Before the publication of Aesthetics from Classical Greece to the Present there were three histories of aesthetics in English Bosanguet's pioneering work the second part of Croce's Aesthetic in the Ainsle translation and the comprehensive volume by Gilbert and Kuhn While each of these is interesting in its own ways and together they cover a good deal of ground none of them is very new Thus none could take advantage of recent work on many important philosophers and periods and bring into a consideration of the past the best concepts and principles that have been developed by present day philosophy Aesthetics Monroe C. Beardsley,1975 Aesthetics from classical Greece to the present Monroe C. Beardsley, 1982 **Aesthetics from Classical Greece to the Present Monroe C.** Beardsley, 1975-10-30 Seeks to bring present day philosophy principles into the history of aesthetics Before the publication of Aesthetics from Classical Greece to the Present there were three histories of aesthetics in English Bosanquet's pioneering work the second part of Croce's Aesthetic in the Ainsle translation and the comprehensive volume by Gilbert and Kuhn While each of these is interesting in its own ways and together they cover a good deal of ground none of them is very new Thus none could take advantage of recent work on many important philosophers and periods and bring into a consideration of the past the best concepts and principles that have been developed by present day philosophy In Aesthetics from Classical Greece to the Present the author seeks to bring these principles to the forefront in exploring the history of aesthetics

Musical Beauty Férdia J. Stone-Davis, 2011-01-01 This book offers an important new perspective on the Western tradition of musical aesthetics through an examination of Anicius Boethius and Immanuel Kant Within the trajectory illuminated by these two thinkers musical meaning is framed by and formed through the concept of beauty a concept which is shaped by prior understandings about notions of the self and the world Beauty opens up a space within which the boundary between the self and the world subject and object is negotiated and configured In doing so either the subject or the object is asserted to the detriment of the other and to the physicality of music This book asserts that the uniqueness of music s ontology emerges from its basis in sound and embodied practice It suggests that musical beauty is generated by the mutuality of subject and object arising within the participation that music encourages one which involves an ekstatic mode of attention on the part of the subject Encyclopedia of Ancient Greece Nigel Guy Wilson, 2006 Examining every aspect of the culture from antiquity to the founding of Constantinople in the early Byzantine era this thoroughly cross referenced and fully indexed work is written by an international group of scholars This Encyclopedia is derived from the more broadly focused Encyclopedia of Greece and the Hellenic Tradition the highly praised two volume work Newly edited by Nigel Wilson this single volume reference provides a comprehensive and authoritative guide to the political cultural and social life of the people and to the places ideas periods and events that defined ancient Greece Philosophy of Art and Aesthetics, from Plato to Wittgenstein
