geographically and methodologically diverse volume shines the spotlight on a variety of flexible working practices beyond the predominantly Western perspective and zooms in on the gendered aspects of flexible working. The increasing use of flexible work arrangements has decoupled work from time and space making the world of work and home increasingly fluid and challenging to manage. The Covid 19 pandemic in particular has been a catalyst for questioning accepted norms of where when and how work takes place. This book seeks to explore the impact which this reshaping of traditional modes of working has had on workplace interactions and relationships as well as on managing the boundaries between familial and working lives. In this way this collection contributes to a wider dialogue concerning the flexibility challenges encountered by white collar workers which is needed now more than ever. This book will be relevant to scholars practitioners and policymakers in the fields of gender studies organizational behavior human resources and labor economics. It will be particularly useful for those examining the impact of remote work the future of work organizational culture and the social and economic implications of shifting work practices. The chapters in this book were originally published in *Culture and Organization* and are accompanied by an updated Introduction and a new Epilogue.

Remote Work and Sustainable Changes for the Future of Global Business Ali, Mohammed, 2021-06-25 There is a void of research and other academic materials to support stakeholders operating within industry and the service sector with respect to their perceptions and experiences of remote work particularly in the context of global business sustainability and change management. As more businesses consider remaining and maintaining a remote workforce it is of paramount importance that new research be conducted regarding the multifaceted area of remote work and sustainable change for global business. *Remote Work and Sustainable Changes for the Future of Global Business* raises awareness of the multifaceted area of remote work in the context of sustainable change.
