Machine Learning for Business Analytics Hemachandran K, Sayantan Khanra, Raul V. Rodriguez, Juan Jaramillo, 2022-07-21

Machine Learning is an integral tool in a business analyst's arsenal because the rate at which data is being generated from different sources is increasing and working on complex unstructured data is becoming inevitable. Data collection, data cleaning, and data mining are rapidly becoming more difficult to analyze than just importing information from a primary or secondary source. The machine learning model plays a crucial role in predicting the future performance and results of a company. In real-time data collection and data wrangling are the important steps in deploying the models. Analytics is a tool for visualizing and steering data and statistics. Business analysts can work with different datasets choosing an appropriate machine learning model results in accurate analyzing forecasting the future and making informed decisions. The global machine learning market was valued at 1.58 billion in 2017 and is expected to reach 20.83 billion in 2024 growing at a CAGR of 44.06% between 2017 and 2024. The authors have compiled important knowledge on machine learning real-time applications in business analytics. This book enables readers to get broad knowledge in the field of machine learning models and to carry out their future research work. The future trends of machine learning for business analytics are explained with real case studies. Essentially this book acts as a guide to all business analysts. The authors blend the basics of data analytics and machine learning and extend its application to business analytics. This book acts as a superb introduction and covers the applications and implications of machine learning. The authors provide first-hand experience of the applications of machine learning for business analytics in the section on real-time analysis. Case studies put the theory into practice so that you may receive hands-on experience with machine learning and data analytics. This book is a valuable source for practitioners industrialists technologists and researchers.

Fight Heart Disease Like Cancer Michael V. McConnell, 2024-01-30 A new approach to understanding preventing and treating heart disease to empower you and your loved ones to live long and healthy lives. The main cause of heart disease the world's number one killer of women and men is a cancer-like tumor inside the coronary arteries that keep our hearts beating. Although this similarity to cancer is well established in medical journals most people and their health care providers don't approach heart disease as seriously as cancer even though it's just as deadly. In *Fight Heart Disease Like Cancer* cardiologist Michael McConnell shares the stories of his family patients and research to lay out a modern and effective approach to preventing screening for and treating heart disease like cancer to avoid its dire consequences. Dr. McConnell highlights the latest research on the substantial overlap between heart disease and cancer from shared risk factors to screening for early detection to new and powerful therapies. In accessible language and with personal perspectives from his daughters Mia and Kelly he explains how heart disease grows in similar ways to cancer how to screen for early heart disease prevention techniques that incorporate both a heart healthy lifestyle and medical help when needed simple and powerful therapies to reverse heart disease and prevent heart attacks and strokes.

digital health technologies including wearable devices and artificial intelligence that broaden access for detecting and monitoring heart disease Dr McConnell through his work with the American Heart Association and the National Fitness Foundation also highlights the many ways our society can reduce heart disease for all Fight Heart Disease Like Cancer will guide you step by step on how to prevent screen for and treat heart disease to live a healthier and longer life *EMRS TGT : Common For All Exam Book (English Edition)- Eklavya Model Residential School Trained Graduate Teacher - 22 Practice Tests (1500+ Solved MCQs)* EduGorilla Prep Experts, Best Selling Book in English Edition for EMRS TGT Common Section For All with objective type questions as per the latest syllabus EMRS TGT Common Section For All Preparation Kit comes with 22 Practice Tests with the best quality content Increase your chances of selection by 16X EMRS TGT Common Section For All Prep Kit comes with well structured and 100% detailed solutions for all the questions Clear exam with good grades using thoroughly Researched Content by experts **The Mirror** E.N.O.
