Struggling to keep up with the rapid pace at which AI is developing? Still shaken from the dramatic changes that the COVID-19 pandemic wrought? You are not alone. The modern workplace is a blend of the digital and the physical, with employers and employees seeking a way to balance the two. As millennials and Gen Z with their drive for experience dominate these spaces, a change of mindset is needed, and fast. Work Made Easy envisages a more relatable work environment, one that works across employee, employer, age, and physical/digital divides.
