Part starter kit, part encyclopedia, and part inspiration, *Self Made Boss* is an essential survival guide for small businesses. When it comes to getting practical advice, small business owners too often don't know where to look. Sure, you can find all sorts of high-level strategic tips from Fortune 500 CEOs. But what if you own a restaurant and you're trying to figure out how to source good fish, or if you're looking to increase revenue from your plumbing supply store? You'll be running a lot of Google searches before you hear from someone who's actually stood in your shoes. Longtime Square executives Jackie Reses and Lauren Weinberg want to change this. So they reached out across the country, talking to dozens of entrepreneurs with valuable businesses and invaluable advice. This book is the product of that research. Part starter kit, part encyclopedia, part inspiration, *Self Made Boss* is filled with information not just about who these small business owners are, but how they built their companies, step by step. How did they get their start? When did they decide to hire more staff? How did they set a course for growth? And when problems arose, how did they fight through them? You'll hear from a second-generation ice cream shop owner on how to manage price increases, an oyster farmer finding new ways to stay afloat in the middle of a global pandemic, a roofer who refused to be denied or defined by her race and gender, and dozens of other small business owners making a big difference in their communities. No matter the size of your business today or where you're thinking about taking

the jump tomorrow you'll find answers you can apply right away Because there's a common purpose that all small business owners share the drive to build something from the ground up the relentless pursuit of turning obstacles into opportunities and roadblocks into stepping stones It's tough and messy hard fought and hard won And above all it's something you can't have when you work anywhere else or for anyone else That's what it means to be a Self Made Boss **Manager's Guide to Online Marketing** Jason Weaver,2013-02-05 A COMPREHENSIVE CRASH COURSE FOR MASTERING TODAY'S MOST IMPORTANT MARKETING PLATFORM Online marketing has evolved far beyond just websites and banner ads Your business's credibility now rests on the ability not to just embrace digital platforms but to coordinate a broad spectrum of media in every campaign Manager's Guide to Online Marketing explains how to do this and more by planning and executing effective cross channel digital outreach using the latest most sophisticated tools and strategies It provides in depth coverage of essential online marketing tools and techniques including Content marketing and blogging Social media marketing Web analytics Search Engine Optimization SEO E mail marketing Online Public Relations Briefcase Books written specifically for today's busy manager feature eye catching icons checklists and sidebars to guide managers step by step through everyday workplace situations Look for these innovative design features to help you navigate through each page Clear definitions of key terms and concepts Tactics and strategies for effective online marketing Tips for executing the tactics in the book Practical advice for preventing errors Caution signs to avoid common and uncommon mistakes Examples of successful online marketing tactics Specific planning procedures tactics and hands on techniques *The Membership Economy (PB)* Robbie Kellman Baxter,2015-03-20 The membership business models of Netflix Weight Watchers and other industry giants revealed and how you can use them to lead your company to the top of the food chain For decades consumers and businesses have joined clubs bought products and accessed services using a subscription model But it has only been in recent years that the model has been transformed and perfected through massive changes in technology The Membership Economy shows how nimble companies that focus on ongoing formal relationships over one time transactions are thriving By renting lending or offering access instead of just ownership organizations can leapfrog industry leaders In terms of strategic business models this is one that allows for breakthrough growth With great case studies from American Express LinkedIn CrossFit SurveyMonkey and more this book will show you how to radically rethink how your organization can build loyalty viral growth and recurring revenue **Résumé Magic** Susan Britton Whitcomb,2010 All the tricks professional resume writers use to create eye catching results driven resumes are revealed in this must have guide Renowned as the definitive resource for writing and designing resumes Resume Magic combines great tips with before and after resume transformations to explain the nuts and bolts of resume creation Author Susan Britton Whitcomb connects professional techniques with actual examples to demonstrate why the techniques work Any college student recent graduate or job seeking adult will use the strategies and advice provided in this book a thousand times over Franchise Times ,2010 **The Consultant** ,2010
