as a solo entrepreneur or small business owner always boils down to your strategy and offer. It's about knowing your audience, crafting a message they care about, and delivering a solution to their problem. When you view IG as an income stream rather than a vague marketing channel, something important happens. First, it becomes clear where in your overall business funnel IG lives, and it becomes clear that the only purpose IG serves is to get you new clients, sell more products, and generate revenue. In this book, you'll learn how to develop your IG strategy to fit with IG's business model, get attention by having something interesting to say, the big fat myth about content creation, posting to get algorithmic pushes, monetize IG with less than 100 followers, actual examples of real business owners making money on IG, and more. Distilled in this book is how I and others use IG to make thousands of dollars with minimal time investments and with less than 1000 followers. Be ready to never look at IG the same way again.
