TikTok - How to Become Famous on TikTok Martin Baldrön, 2019-12-24 You know how those Hollywood Stars didn t want to be on IG 4 years ago cause they thought they were cool sh t but now they re like Uhoh Striking a platform while it s hot matters way more than If that platform exists in a decade See people like Kylie Jenner I know cheesy She built a brand on Instagram while it was the trend Now she sell whatever wherever but that couldn t be possible if she didn t strike the Instagram trend Every few years a new platform is born and a small circles of people the ones that know how to harness its power become HUGE and build a brand Look at Logan Paul Took Vine s trend and now they re making millions Why can t anybody be a part of that circle And why you should try to Most people think that since it s new they can jump on it and get easily their piece Then they try and it seems like they don t have that magic power anymore Does this sound familiar You join the trendy platform you see influencers and brands with a lot of followers and you re like HOW SWAY HOW Kanye s voice You see them having success and you rightfully think how did they do that For my skateboard brand I tried with Instagram Stories when it was hot Had a little following but ONLY because my girl a model reposted all my content in her profile I know So I tried to post viral videos every day I tried everything Hashtags commenting funny stuff brand campaigns No success for me I was getting views and traffic but other than that No fans NO sales I thought Maybe I m doing it wrong My target is not here I suck But then I understood that you don t have to reinvent the wheel to have success I started emulating viral content but just when I was getting close to my goal It seemed like the organic reach on IG was dead The trend was dying at light speed and I understood quickly I had no chance anymore But I learned 1 thing I LL NEVER BE LATE ANYMORE TikTok was getting traction I noticed it so I moved my content from IG to TikTok and then BOOM I understood immediately how it worked so I planned a strategy I posted every day and I got 137k followers in 2 months I was like WHAT THE HELL And if I did it NOW that you re reading I would even have better results since millions of people are joining the platform every week

The faster you move with the right strategy the better the chance for you You don't need to be beautiful or a 12 years old Originality is what works on TikTok and it's proven to work in every industry NO STRATEGY BIG LOSS tho even if you're Kylie WHAT'S THE STRATEGY THAT BROUGHT ME FROM 0 TO 137K My strategy is evergreen I tried it so many times that now I can figure out how a new social media works in just a week So you can take it and apply it in every platform This book is so valuable for you I promise THE STRATEGY 1 Don't reinvent Emulate viral content 2 Find your micro niche that's easier to conquer conquer it and then conquer the bigger niche and so on 3 Create content that sells you your product or other people's so you can monetize from your phone But listen I want you to know this This app's organic reach is remarkable and it will go away It happened with Facebook it happened with Vine it happened with Instagram more recently Today avoid your Starbucks Latte morning addiction and get this book For YOU and your future goal I will prevent you to get a brown smile and I will help you have success from your cellphone Deal You can do it I wish I had this knowledge when I started I would have probably been a millionaire now no jokes So get your copy and apply the principles NOW Good luck Martin [TikTok Marketing School](#) Hillary Scholl, 2022-06-01 Do you want to be financially independent and successful Learning How To Use TikTok's Power Could Be The Answer One of the BEST skills you can learn today is how to use the power of TikTok When you understand TikTok marketing the proper way you can essentially write your own income Knowing how to use social media platforms to sell your items can help you take your company to the next level Imagine finally being able to manage a profitable online business from the comfort of your own home Imagine quitting your day job and earning enough money to support yourself and your family in a comfortable and affluent lifestyle It costs money to market your company a lot of money Paying a third party organization to sell your brand might be very expensive When faced with budget constraints resource constraints and ever moving timeframes many people discover that it is a cost that may quickly blow budgets and eat into earnings THIS IS ONLY ONE OF THE REASONS WHY SOCIAL MEDIA IS IMPORTANT The world is changing and social media is catching up In today's corporate world social marketing has a huge impact on internet marketing and TikTok is quickly becoming a behemoth in this field Their user base is expanding at a quicker rate than any other social site You are missing out BIG TIME if you are not using TikTok for promotion And if you think it is just for youngsters you are completely wrong So how does this affect you Imagine this you could generate content this week and reach tens of thousands if not hundreds of thousands of people who are interested in you your brand and your business You can get viral or semi viral overnight if you start with no followers and no content Eyeballs people potential customers fans TikTok is currently one of the most popular social media sites and will soon become a marketing powerhouse Because it is fresh compared to Facebook for example there is less competition and the ease with which you may move from nothing to anything is something not to be overlooked It is the same as marketing on Facebook or YouTube in the early years when it was quite simple and yielded incredible results This is a once in a lifetime opportunity You have greatly increased your chances of success by learning how

to sell on TikTok the RIGHT WAY You will need TikTok Marketing School to learn how to use TikTok marketing to grow your business Everything you need to know about creating a successful TikTok marketing plan is covered in TikTok Marketing School You will learn What is TikTok and how does it all work How to utilize TikTok to promote your business How to make content that has the potential to go viral How to get started and create an account on the platform How to grow your audience and following How to use TikTok advertisements to boost your performance How to evaluate your outcomes and improve your strategy And a whole lot more
