Their user base is expanding at a quicker rate than any other social site. You are missing out BIG TIME if you are not using TikTok for promotion. And if you think it is just for youngsters, you are completely wrong. So how does this affect you? Imagine this: you could generate content this week and reach tens of thousands, if not hundreds of thousands of people who are interested in your brand and your business. You can get viral or semi-viral overnight if you start with no followers and no content. Eyeballs, people, potential customers, fans. TikTok is currently one of the most popular social media sites and will soon become a marketing powerhouse. Because it is fresh compared to Facebook, for example, there is less competition, and the ease with which you may move from nothing to anything is something not to be overlooked.
