*If Social Viral Marketing Doesn't Make Dollars, it Doesn't Make Sense* Dwayne Anderson,2018-05-10 If Social Viral Marketing Doesn t Make Dollars it Doesn t Make Sense Well Viral marketing is still a hot buzzword since last 20 years for the unpredictable internet and is still much sought after strategy until today As a marketer you are probably familiar with the idea of Getting Viral and would love to capitalize on the process but the truth is

there are many misconceptions about what it really takes to implement a working strategy as well as the enormous benefits that ensue from its implementation as usually marketers will say that you do not need mainstream media to build awareness but no one can deny the power it upholds and that the audience still holds the major authority to boost its popularity With the goal of getting hordes of people spreading the word about your products and services Getting Viral has gone to a new level altogether It remarkably helps in increasing brand exposure visibility and better traffic conclusively getting you increased business revenue It has also worked for thousands of marketers miraculously in improving the growth of their businesses And you too might have tried everything in your power to solve the puzzle and yet despite your best intentions you re still inundated with Not knowing how to get started Not finding the right strategies to follow Not getting the desired results from a long time Because life s not a bed of roses every time Viral marketing when done correctly gives media outlets a reason to cover your brand without you paying or petitioning for it According to Jupiter Research more than 90% of consumers said they told at least one other person about a website when the original recommendation came from a friend Using Viral Marketing to spread positive word of mouth for your brand does not need application of any HI TECH Formula You just have to use our SIMPLE PROVEN techniques in the correct way and let your profits galore Viral marketing is not a trial and error method where you can stroke unlimited wrong moves and get lost in the deep sea of misfortunes But success comes only to those who know how to fill in the missing pieces and tweaking it right So to skyrocket results from your hard work you need a step by step guidance that not only explains the latest and proven Viral Marketing techniques but also enables you to use them properly to Get all the Dollars as they usually are able to consolidate to Make all Sense     *How to Start a Youtube Channel* Side Hustlers,2019-12-15 The success and reach of YouTube cannot be denied with more than a billion users worldwide and content ranging from the simple how to video to the news and politics of the day to the launch of superstars in the arenas of music fashion gaming and beyond YouTube has become one of the most popular platforms on the internet A mere fourteen years after its inception YouTube has become a phenomenon that has everyone scrambling to maximize its potential to their best advantage It s the perfect time for you to start your own YouTube channel and join the fray because YouTube is still yet growing expanding and providing something for everyone Some of the statistics are truly mind boggling Not only are there more than a billion users worldwide but there are now almost five billion YouTube videos viewed each day three hundred hours of content uploaded to YouTube every minute and a reach of about eighty percent of the prime audience of 18 to 49year old viewers Because YouTube is viewed across a variety of devices its reach surpasses that of traditional television broadcasts and other media outlets In this book you will discover a wealth of information about how to start your own YouTube channel either for pleasure or for profit as well as advice on how to grow your channel and some examples of success stories for inspiration Some particular information you will find includes the following How YouTube is redefining content for a new era How to discover your particular niche for the widest possible audience Understanding how to parlay

YouTube success into multiple arenas The basic equipment you will need to make the best YouTube videos along with some suggestions on how to upgrade should you wish to refine your channel Advice on how to come up with the best name for your channel along with the best banner and icon art Step by step instructions for how to get your channel set up Advice on how to optimize your channel using keywords and other techniques to garner the most views for your videos Recognizing the pitfalls of YouTube and how to avoid them How to monetize your YouTube channel in multiple ways Some fascinating success stories to help inspire and challenge you to create the best possible channel And much much more Starting a YouTube channel is simple and straightforward with today s technology the reasons for doing so are numerous and the opportunities are nothing short of exhilarating in their nearly endless possibilities With some careful planning relevant and original ideas solid writing and editing plus a bit of effort and a spirit of adventure you could be well on your way to YouTube success in a mere moment Get started right now with this handy guide
