Calculus Early Transcendentals 10th Edition continues to evolve to fulfill the needs of a changing market by providing flexible solutions to teaching and learning needs of all kinds. Calculus Early Transcendentals 10th Edition excels in increasing student comprehension and conceptual understanding of the mathematics. The new edition retains the strengths of earlier editions e.g. Anton's trademark clarity of exposition, sound mathematics, excellent exercises and examples, and appropriate level while incorporating more skill and drill problems within WileyPLUS. The seamless integration of Howard Anton's Calculus Early Transcendentals 10th Edition with WileyPLUS, a research-based online environment for effective teaching and learning, continues Anton's vision of building student confidence in mathematics because it takes the guesswork out of studying by providing them with a clear roadmap: what to do, how to do it, and whether they did it right. WileyPLUS sold separately from text.

Bivens, Stephen Davis, 2012-04-09

The new edition of Calculus continues to bring together the best of both new and traditional curricula in an effort to meet the needs of even more instructors teaching calculus. The author team's extensive experience teaching from both traditional and innovative books and their expertise in developing innovative problems put them in a unique position to make this new curriculum meaningful for those going into mathematics and those going into the sciences and engineering. This new text exhibits the same strengths from earlier editions, including an emphasis on modeling and a flexible approach to technology.
