## How To Use Youtube Shorts Ideas Ideas In Usa:

The Ideas That Rule Us Chris Grocott, 2024-10-07 It may seem surprising that the economic choices we make in society are often determined by ideas rather than scientific evidence or financial resources The consequences of such choices are often stark such as the austerity policies which eroded our ability to withstand crises like the Covid 19 pandemic This book explores the ideas that rule how our economy works how government operates and how workers organise A small number of historical economic ideas remain stubbornly prevalent and powerful today However they are largely based on questionable assumptions about human behaviour and unproven theoretical ideas about economics They were founded within the realms of philosophy and politics rather than hard science This book illustrates how politicians have selectively borrowed convenient economic concepts in order to promote and defend policies which entrench and escalate inequalities and other structural problems This accessible book invites readers to question the ideas that rule us and explore the challenges facing society It invites progressive thought about how we need to urgently organise action for the future

**Freedom of Expression in the Marketplace of Ideas** Douglas M. Fraleigh, Joseph S. Tuman, 2010-05-19 A comprehensive guide to effective participation in the public debate about our most indispensable right freedom of expression Encouraging readers to think critically about freedom of speech and expression and the diverse critical perspectives that challenge the existing state of the law this text provides a comprehensive analysis of the historical and legal contexts of the First Amendment from its early foundations all the way to censorship on the Internet Throughout the book authors Douglas M Fraleigh and Joseph S Tuman use the Marketplace of Ideas metaphor to help readers visualize a world where the exchange of ideas is relatively unrestrained and self monitored The text provides students with the opportunity to read significant excerpts of landmark decisions and to think

critically about the issues and controversies raised in these cases Students will appreciate the treatment of contemporary issues including free speech in a post 9 11 world free expression in cyberspace and First Amendment rights on college campuses Features Demystifies free speech law encouraging readers to grapple with the complexities of significant ethical and legal issues Sparks student interest in big picture issues while simultaneously covering important foundational material including incitement fighting words true threats obscenity indecency child pornography hate speech time place and manner restrictions symbolic expression restrictions on the Internet and terrorism Includes significant excerpts from landmark freedom of expression cases including concurring or dissenting opinions where applicable to help students become active learners of free expression rights Offers critical analysis and alternative perspectives on free expression doctrines to demonstrate that existing doctrine is not necessarily ideal or immutable Includes a global perspective on free expression including a chapter on international and comparative perspectives that helps students see how the values of different cultures influence judicial decisions

**Abortion Politics, Mass Media, and Social Movements in America** Deana A. Rohlinger, 2015 Weaving together analyses of archival material news coverage and interviews conducted with journalists from mainstream and partisan outlets as well as with activists across the political spectrum Deana A Rohlinger reimagines how activists use a variety of mediums sometimes simultaneously to agitate for and against legal abortion Rohlinger s in depth portraits of four groups the National Right to Life Committee Planned Parenthood the National Organization for Women and Concerned Women for America illuminates when groups use media and why they might choose to avoid media attention altogether Rohlinger expertly reveals why some activist groups are more desperate than others to attract media attention and sheds light on what this means for policy making and legal abortion in the twenty first century
