## **Hybrid Work Schedule Ideas For Dads:**

**Essential Dads** Jennifer M. Randles,2020-10-13 In *Essential Dads* sociologist Jennifer Randles shares the stories of more than 60 marginalized men as they sought to become more engaged parents through a government supported responsible fatherhood program Dads experiences serve as a unique window into long standing controversies about the importance of fathering its connection to inequality and the state s role in shaping men s parenting With a compassionate and hopeful voice Randles proposes a more equitable political agenda for fatherhood one that carefully considers the social and economic factors shaping men s abilities to be involved in their children s lives and the ideologies that rationalize the necessity of that involvement

**A Research Agenda for Flexible Working Arrangements** Lilian M. de Menezes,Clare Kelliher,2025-10-07 Bringing together leading international researchers this Research Agenda adeptly navigates the evolving landscape of flexible working arrangements and identifies potential avenues for further research

**The New Father** Armin A. Brott,2024-05-21 The best selling guide to the first year of fatherhood trusted by hundreds of thousands of new dads and their partners This indispensable handbook from the author of the million selling *Expectant Father* provides a reassuring month by month overview of your baby s first year It covers the milestones in your child s development ways you can bond with your child and support your partner and what s going on with you as a new dad The fourth edition of *The New Father* features a user friendly new design and is updated from cover to cover with the latest information about healthcare financial planning parental leave and work life balance and much more It incorporates the expertise of leading pediatricians and researchers and the real life experiences of hundreds of dads and moms Illustrated with stress relieving cartoons *The New Father* is a friendly readable and inclusive companion for all new dads Moms will love it too

**Father Involvement and Gender Equality in the United States** Richard Petts,2022-08-31 This book focuses on issues of family work and gender with a focus on gender inequality Women are disadvantaged in both paid and domestic work due in large part to being primarily responsible for duties within the domestic sphere The COVID 19 pandemic has exacerbated these inequalities making the issue of reducing gender inequality even more pressing Fathers play an important role in contributing to and perhaps reducing gender inequality but barriers to their involvement in family life have received less attention than detailing challenges that mothers face If men were equally involved in all aspects of domestic life i e were fully engaged dads women s burdens would be reduced and perceptions of who is responsible for parenting may change resulting in greater gender equality *Father Involvement and Gender Equality in the United States* focuses on the key issue of father involvement seeking to understand why fathers are less involved at home than mothers despite an increased desire for fathers to be more engaged parents This book utilizes recent national survey data interviews with fathers and insights from the author s personal experience as a father to identify current norms of fatherhood within the United States barriers to father involvement and strategies to overcome these barriers Overall this book argues that by establishing the expectation that fathers will be fully

engaged dads as a cultural norm and by providing structural opportunities for fathers to meet this cultural standard greater gender equality can be achieved within the United States The arguments presented in this book are valuable for scholars in the areas of family work and gender policymakers and business leaders who seek to promote gender equality and work family balance and parents who are interested in achieving a more egalitarian division of labor within their own families *Latino Fathers* Fatima Suarez, 2025-11-04 The contemporary meaning of Latino fatherhood What does fatherhood mean in the lives of Latino men In *Latino Fathers* Fatima Suarez shifts the attention from how father involvement affects Latine children to how Latino men experience fatherhood and what being a father means to them Suarez brings attention to the social forces shaping sustaining and undermining Latino men's parenting how their views and behaviors uphold challenge negotiate and transform culturally dominant ideas of fatherhood and the lessons they teach us about the reproduction of inequality in family life Suarez focuses on the many different facets of fatherhood including work life balance parenting challenges and empathy and resentment for their own fathers Drawing on in depth interviews with 60 Latino fathers in California Suarez highlights Latino fathers' familial stories of joy sorrow humor pain uncertainty and hope *Latino Fathers* provides a compassionate intimate account of a group of fathers challenging the myths about them wrestling with the tensions they experience as they negotiate cultural ideas of good fathering and the structural realities that make it both possible and difficult to meet those expectations
