A Beginner's Guide to Introduce Artificial Intelligence in Teaching and Learning Muralidhar Kurni, Mujeeb Shaik Mohammed, Srinivasa K G, 2023-06-28 This book reimagines education in today's Artificial Intelligence AI world and the Fourth Industrial Revolution. Artificial intelligence will drastically affect every industry and sector, and education is no exception. This book aims at how AI may impact the teaching and learning process in education. This book is designed to demystify AI for teachers and learners. This book will help improve education and support institutions in the phenomena of the emergence of AI in teaching and learning. This book presents a comprehensive study of how AI improves teaching and learning from AI-based learning platforms to AI-assisted proctored examinations. This book provides educators, learners, and administrators on how AI makes sense in their everyday practice. Describing the application of AI in ten key aspects, this comprehensive volume prepares educational leaders, designers, researchers, and policymakers to effectively rethink the teaching and learning process and environments that students need to thrive. The readers of this book never fall behind the fast pace and promising innovations of today's most advanced learning technology. *The ELL Teacher's Toolbox 2.0* Larry Ferlazzo, Katie Hull Sypniewski, 2025-03-05 Set your English language learners up for success with this effective resource. The ELL Teacher's Toolbox 2.0 is a valuable updated resource that teachers of English Language Learners (ELLs) can use to improve student outcomes. With hundreds of innovative strategies and activities to bring to your classroom, this book can be used with learners of all levels and in any instructional setting. This revised edition provides the latest enhancements to the instructional tools along with 16 new chapters that you can add to your teaching repertoire. New content includes coverage of artificial intelligence, online learning environments, and differentiated instruction. Graphics and visuals make it easy to understand and adapt the content to your unique teaching situation. Written by proven authors in the field, the book is divided into two main sections: Reading, Writing, and Speaking; Listening. Each of those sections includes Top Ten favorites and between 40 and 70 strategies that can be used as part of multiple lessons and across content areas. Contains 60% new strategies. Features ready-to-use lesson plans. Includes reproducible handouts. Offers technology integration ideas. For the growing number of ELLs in public schools, effective ELL instruction can mean the difference between long-term academic success and continued struggling. In this book, you'll find countless practical ideas to add to your teaching arsenal or for training and coaching ELL teachers so you can support your students on their journey. **Teaching with the Internet** Beverley E.
