Feudlings Fate On Fire 1 Wendy Knight:

Feudlings Wendy Knight, 2013-03-18 Nothing makes a new school suck worse than discovering the guy you're in love with is your prophesied nemesis Ari is the most powerful flame throwing sorceress ever and her people's last hope in an ancient war But she's also a seventeen year old girl and in her free not hunting nemesis times she jumps from school to school trying to figure out regular people her own age and pretending she'll get the chance to graduate Shane lives a double life He goes to school and masters the art of popularity hiding the fact that he has a fate with a slim chance of his survival He's destined to end a 300 year old war by killing or being killed He knows he's hunted by a powerful enemy who's not afraid to die Only problem He has no idea who that enemy is When Ari shows up at Shane's school angry and sullen and determined to keep him at arm's reach neither of them realize they are supposed to be killing each other not falling in love Until Ari does realize it and she almost dies by Shane's hand

Feudlings in Flames Wendy Knight, 2013-09-02 Ari thought being in love with her prophesied nemesis sucked But being responsible for her best friend's kidnapping It sucks worse Ari and Shane thought they'd beaten Fate and ended the three hundred year war plaguing their people They thought love had won But they were so so wrong Instead of graduating high school like the normals they're in a battle to save Charity Shane's cousin Ari's best friend and the seer who might hold the key to ending the war for good To do that they're forced to accept help from a boy they aren't even sure they can trust He's powerful and knows spells even Ari's never heard of but he's also secretive and has a past he's determined to keep hidden Add to that the fact that he has his sights set on Ari and Shane would rather do without his help Ari has bigger problems than mysterious boys and their strange powers The powerful Edren Family is hunting her brother and she can't very well save him or Charity while they're constantly being attacked by her own people To stop the raids she has to take the fight to them But if she starts hunting the family that raised her what kind of monster will she be Fate still waits for the death of one by the hand of the other

Feudlings in Sight Wendy Knight, 2013-07-31 Boys of war suck at romance Charity Delyle has lived in the shadow of her Prodigy cousin and his powerful Guard since the day she was born And she doesn't mind really Except that being in Hunter's shadow means that he can't see her And she'd like that to change Hunter has one purpose in life Protect the Prodigy or die trying That means a social life school and even Charity come last until the war is over For the most part he's okay with that he can lose everything if he has to except his seer Starting at a new school should be much safer than living in a war ravaged Carules headquarters But this new school is different than the others Friendships are forged and destinies are questioned and Hunter's decision could cost them all everything they've been hoping for
