**Post-COVID-19** Arvind K. Birdie, Ruchi Joshi, 2023-10-06 The COVID-19 pandemic dramatically changed our normal, both in life and in business. The timely volume provides a map of how the world has been significantly changed post-COVID-19 pandemic, not only in terms of work and business life but also linking other areas of personal life as well. It explores the diverse impacts of the pandemic on businesses and workplaces, addressing topics such as changes in organizational structures, operations, and marketing, and consumer behavior. Sharing their rich insights and perspectives on today's business world, the authors also look at how personal psychological well-being, the role of spirituality, employee satisfaction, an organization's future competitiveness, and quality of life have been affected and changed by the COVID-19 pandemic. Chapters discuss the challenges and complications of flexible and hybrid working styles and digital collaboration platforms such as Microsoft Teams. Other topics include changed consumer choices and shopping psychology, internet addiction, mental health challenges, new psychological aspects of the art and culture industry, and more. The authors also share effective strategies for creating work-life balance and improving psychological well-being and for navigating the new normal.

Reshaping the Business World Post COVID 19 Management Strategies for Sustainable Behavior Change will be valuable for both industry and academia as it covers concepts of business from various perspectives The book is sure to help managers of all types navigate the new normal **1001 Programming Resources** Edward J.
