**Blogging for Beginners** Brian Wood, 2020-01-17 Your blog should be your business. Blogging is not always about making money, but if that comes your way, you should make the most of it. And that is what this book communicates. Every blog has the unique components that make it a business, and bloggers must know how to monetize their ideas and market their weblogs. This book offers a classic guide for beginners by teaching all the steps required to start a blog. It goes further to induce more knowledge about converting a blog into a money machine, which is what bloggers should be dreaming about. For people looking for ways to take their blogs to the next level, this is the source that offers little-known tips that are essential to building a successful blog. The book is 12 chapters that are subdivided to tackle different topics addressing the main issues in the blogging world in a logically progressive manner. From its introduction through the body that has tips on affiliate marketing, creating digital products, and all the marketing techniques to the conclusion, this book serves its purpose to the letter. It is all about creating a blog from scratch, maintaining, monetizing, and promoting the blog with useful resources. Blogging is a battle with millions of contestants going against each other for the top spot every day. Goes the phrase that makes it a compelling subject that readers must have if they want to win the war. Spun in a conversational tone with lots of motivational phrases to spark action among readers looking to get started.

**Blogging for Profit 2019** Naomi Jacobs, 2019-04-07 Want to learn how popular blogs like Sooverthis generate 80k a month in income? If you want to start making money with your blog, then keep reading. Every day, more and more people are achieving financial freedom and living their ideal lifestyle by turning to blogging. They are abandoning the classic nine-to-five schedule so they can finally go on vacation whenever they want. You've read all the guides out there, but they aren't teaching you how to write good articles or how to turn those articles into money-making machines. You've invested hours in setting up your blog, only to realize you're using the wrong platform and that you can't even customize it. What am I supposed to do? Blogging isn't working. Shush, don't say that. Anyone can make money.
