Knowledge systems are computer programs that can help solve problems in the same fashion as human experts. Many studies have concluded that in the course of the next 20 years knowledge systems will revolutionize the way businesses are conducted and this book provides a preview of how that revolution will occur.

**Get Found** Matt Diamante, 2026-01-06. Direct evidence driven and refreshingly honest. Get Found is the blueprint for conquering Google without wasting a dollar on ads. In today's noisy digital world most entrepreneurs spend their energy chasing customers through ads, cold outreach and constant hustling. But the businesses that thrive long term are the ones customers find on their own. Get Found is a straightforward, no fluff guide that empowers entrepreneurs to flip the script instead of chasing. Start attracting. Learn how to use search engine optimization (SEO) not just as a technical tool but as a trust building strategy that makes you the obvious choice in your market. The result: A business that works for you 24/7 even when you close your laptop. This isn't another jargon heavy SEO manual. It's a

practical plain English roadmap written by someone who built a seven figure business from scratch by mastering these exact strategies     AI Tools and Techniques Mark H.
